

OLD MEXICAN HEROES GREATLY PLEASED WITH NEWARK'S HOSPITALITY

All Enjoyed Every Movement of Their Annual Reunion and Acknowledged it One of the Best Ever Held

ROUSING CAMP FIRE HELD IN MEMORIAL BUILDING

Mayor John Ankele Delivered Welcome Address on Behalf of City--Capt. Frank Hardy, Aged 93 Years, Gave Interesting Talk--Officers Elected for Ensuing Year---Next Reunion at Covington, Ohio.

Friday morning, June 16, the second day of the thirty-seventh annual reunion of the Ohio State Association of Mexican War Veterans, saw all the old veterans still on hand and without exception they declared the reunion of 1911 one of the pleasantest and most satisfactory that they had held in a number of years. The attention and kindness that have been paid the old veterans during their stay in Newark have touched their hearts, and they commented frequently upon them during their stay here. These surviving veterans of a war that closed over three score years ago have enjoyed every moment that they have spent in Newark, and it was with regret that the parting words were spoken Friday morning.

The business meeting was held early Friday morning that the visitors might be able to leave for their homes in daylight. The meeting, which was to have been held in the Memorial Hall, was held in the rooms of the public library on account of a misunderstanding whereby the janitor failed to make preparations for the meeting in G. A. R. hall.

The meeting was called to order at 9 o'clock by President Darlington, who announced that the reading of resolutions would be first in order.

RESOLUTIONS.

Miss Eleanor Fisher, the secretary, then read the following resolutions:

Newark, O., June 16, 1911.

To the Comrades of the Thirty-seventh annual reunion of the Ohio State Association Mexican War Veterans. Again we are called on to announce with deepest sorrow that taps have been sounded for the deaths of Comrades Cutler and D. W. Henderson, two beloved and faithful members of our organization, and Jesse Gavey, Joseph Malers, Conrad Gasche, John Poltz, and others whose names we have been unable to obtain.

In every heart of this great republic there is respect; in every thought admiration; on every tongue praise for those gallant and patriotic men who laid down their armor and fell before the only foe whom no one can meet.

We murmur not at the wisdom of the Great Commander who rules alike the monarch and the serf.

Poor indeed this nation would be without its hero graves and the memories of its noble dead. Today we miss the cheery voice, the hearty grasp and kindly faces but in our hearts are dedicated sacred memories which shall be kept green "Till Father Time summons us before the Judge and Ruler of all."

Resolved, First, that their country owes to their memories a debt of gratitude that cannot be paid.

Second, That we believe posterity will honor their deeds in parks and monuments for their bravery and patriotism.

Third, That our sympathies are with their widows and children in their and our loss.

Fourth, That these resolutions be recorded on our minutes and published in the papers, and that our secretary send a copy to the surviving widows or children of each deceased comrade.

Respectfully submitted,

JOHN A. FISHER.

Per E. F. Fisher.

It was the sense of the old comrades that the next annual reunion of the Ohio State Association of Mexican War Veterans be held at Covington, Miami county, O., the time to be fixed by the president of the association.

The election of officers for the ensuing year resulted as follows:

President--Jackson Shade, Covington, Miami county.

Secretary--Miss Eleanor Fisher, Granville, O.

Vice President--Capt. John A. Fisher, Granville.

Second Vice President--Samuel Cramer, London.

Third Vice President--Captain Frank Hardy, Piqua.

Fourth Vice President--Capt. George T. Barney, Elkhart, Ind.

Marshal--William Mallen, Columbus.

The unanimous thanks of the old veterans were extended to the citizens of Newark for their kind and courteous treatment they had been accorded while in the city.

The thirty-seventh annual reunion of the Ohio State Association, Mexican War Veterans then closed with the singing by E. N. Root of Pataskalia, of a song entitled "A Song of a Dying Soldier at the battle of Buena Vista."

CAMP FIRE THURSDAY NIGHT.

There was a large and interested audience of patriotic citizens in attendance at the Camp Fire of the Ohio State Association of Mexican War Veterans held in Memorial Hall on Thursday night. The meeting was opened by Captain Daniel Darlington, president of the association, who as president of the association, extended a hearty welcome to the old veterans to our beautiful city. Captain Darlington then introduced Mayor John Ankele, who on behalf of our citizens extended a most cordial welcome to the Mexican War veterans to our beautiful city.

Mayor Ankele, an old veteran of 93 years, who, on behalf of the old veterans delivered the response to the address of welcome, which was greatly appreciated by all who heard it.

Mr. M. R. Scott, a veteran of the civil war, delivered a short address in his characteristic manner, which made quite a hit with the old veterans who heard it.

One of the most interesting features of the camp fire was the presentation by Captain John A. Fisher, of Granville on behalf of the Mexican War Veterans of Ohio, to Col. W. L. Curry, of Columbus, of a pair of beautiful gold cuff buttons, as a mark of the appreciation of his services in collecting the data and having the records of the association bound, in all six large volumes, and for the interest he has always taken in the welfare of the Mexican war soldiers.

Colonel Curry responded in a few well chosen words thanking the members of the association for the token of esteem. The colonel also delivered an address to the veterans in which he gave some valuable statistics that will be valuable to file.

At the conclusion of Col. Curry's address, Miss Eleanor Fisher, secretary of the association, sang a beautiful solo, "A Perfect Day." The song was much appreciated by the old veterans, who were not slow in manifesting their pleasure.

Comrade John Beattie, a veteran of 83 years of Charlevoix, Mich., gave a recitation that was considered most appropriate to the occasion.

The camp fire closed with a vocal solo by John Conwell, a veteran of the Mexican and also of the civil war "Dear Gently, Father Time."

The camp fire was all that could be hoped for and will linger long in the memory of those who were in attendance.

ADDRESS OF WELCOME

Delivered to the Mexican War Veterans by the President of the Ohio Association, Daniel Darlington.

Comrades: It falls to my lot as president of our association, to extend to you a hearty welcome to the hospitality and courtesies of our city.

I believe that I express the sentiment of all our people when I say that the honor paid to the boys that fought at Monterey, gives more pleasure to those who pay than those who receive. And while we hope that they will long continue to have that pleasure, to do honor to fathers and grandfathers, we realize that on-

ly a few short years will close the roll call here, and our memories will linger only in the history of the greatest and best country over which they flag of liberty has been unfurled.

As the decades roll by, we realize that our annual reunions will soon cease, and the pleasures and honors will be given undivided to the heroes of the conflict from Sumter to Appomattox, but we must not forget those who charged San Juan Hill, for their youth and experience may not only permit them to celebrate many reunions but render greater service to their country in the future.

Comrades, when peace was declared and the final treaty was signed at Guadalupe Hidalgo, we did not fully appreciate the result. It meant to these United States an additional 1,000,000 square miles. It meant to the inhabitants thereof liberty and good government, and gave to us, as a country, a pride and dignity that has never been sullied.

We have invited the boys of '61 and '68 to meet with us, and let us treat them with such kind regard that they will continue to honor us in life, assist in death, and on each Decoration day lay a flower, a rose for the blue, the willow for the gray, upon the graves of those who have fought and passed away.

Comrades, in conclusion, I will say that you are thrice welcome to every home, every hotel, and to every industrial plant in the city, to every amusement, and to every bubbling fountain on the Square.

Among the last of the guest to arrive was Mrs. Conwell, of Cadiz. She was given a most cordial welcome by the old veterans.

The members of the Mexican War Veterans Association of Ohio, assembled in reunion at Newark, O., and revering as we do the memory of Abraham Lincoln, the greatest of Americans, most cordially endorse the movement to erect a monument to his memory at the State Capital.

RESOLVED: That we will use our influence as individuals and as members of our association in favor of this very commendable movement and urge all patriotic citizens to contribute to this good cause, that a memorial may be erected worthy of the immortal Lincoln, who rendered such

(Continued on Page 2, Col. 2.)

WIRELESS WAS CALLED INTO REQUISITION

Cleveland, June 16.—Wireless telegraphy was successfully used by a steamer in distress on the Great Lake for the first time at an early hour this morning. The steamer Western States with a blown off steam chest head summoned the City of Cleveland to her aid and turned her 227 passengers over to the latter boat. The transfer took place at midnight in mid-lake, the boats swinging together so they could be lashed, and the gang planks laid.

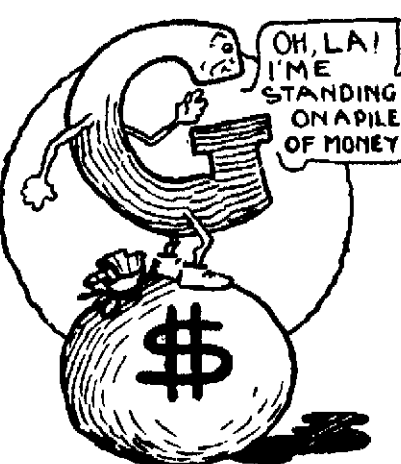

WILL HEAR CHARGES OF PREJUDICE

Columbus, June 16.—With prompt action on the part of Supervising Judge John W. Goldsberry of Chillicothe, on the affidavit of prejudice against Judge Kinkead, filed yesterday by Rodney J. Deigel, senate sergeant-at-arms, the bribery trial set for next week can go ahead as scheduled. Judge Goldsberry has received a certified copy of the affidavit and if he can dispose of the matter before him at Chillicothe today he will give the bias charges a speedy hearing tomorrow morning. He will either overrule the charges or delegate one of the six other judges in Franklin county to hear the case.

It is rumored that this action is the beginning of a campaign to knock out the testimony of the Burns detectives and the dictograph. Judge Kinkead has refused to pass on this question or to vacate the bench to permit this to be done.

In the last ten years the English city of Hull received from the profits of the municipal street car system \$206,000 which lessened local taxation by that amount.

GIRL DECLARES JEALOUS STEPMOTHER POISONED HER; AFFAIR LIKE SCHENK CASE

MISS MERLE HENKLE.

MRS. JESSIE WAY HENKLE.

NEW POSTOFFICE SITUATION AS EXPLAINED BY ASST. SEC. BAILEY IN LETTER TO CONG. W. A. ASHBROOK

Washington, June 16.—Work on the plans for a new federal building at Newark, Ohio, has been delayed for several reasons. The increase in the appropriation for the Newark building from \$90,000 to \$100,000 has necessitated a new set of drawings and the larger appropriation makes it possible to secure a larger and better site providing the necessary legislation is enacted.

Congressman Wm. A. Ashbrook of the Newark district, has received numerous inquiries regarding the Newark postoffice situation and he recently, made inquiry at the Treasury department. The assistant secretary, Mr. Bailey has just replied by sending to Mr. Ashbrook this letter:

"In response to your letter relative to the proposed new postoffice building at Newark, Ohio, you are informed that some months ago the work was suspended on the drawings pending a statement requested from Hon. Charles Dick, under date of August 20th, 1910. The history of the matter is as follows:

"On August 3, 1909, preliminary drawings of the basement and first floor plans of the building were forwarded, as is customary, to the postmaster with the request that he examine the same, and if satisfactory place his signed approval thereon, or advise this department fully of any rearrangement he might consider advisable and return the drawings to the department as soon as possible. These drawings were not returned until August 31st, although on August 12 and 19th he was requested by telegraph to forward them, as his inaction was causing delay in the preparation of working drawings. On August 31st he notified the department of certain changes he considered advisable and on September 13th a revised tentative first floor plan was forwarded. Some complaints as to nearly as practicable with his suggestions. On October 17th, no reply having been received he was telegraphed 'Please state when return of tentative plans forwarded you September 13th may be expected. Matter urgent. Please expedite.' He telegraphed October 28th that they would be returned on the 30th. The plans not having been received October 25th he was again telegraphed that work was being delayed and requested to advise the department when he proposed to return them. This plan has not as yet been received. Seeing the impossibility of obtaining any approval from the postmaster and not wishing to delay work on the building, the department decided to proceed with the working drawings on lines as nearly as practicable in accordance with the only suggestions ever received from the postmaster.

Following this, however, the limit of the cost of the building was raised by Congress, from \$90,000 to \$100,000, which gave sufficient funds for very material betterments. "As regards what changes can be made, it should be noted that the building is, in ground floor area, as large as it is practicable to construct on the site, even when allowance is made for a reduced fire limit; and while it is possible to add a second story, it is not understood that this is needed for other governmental offices, and it would not be desirable in a building of this size to place any of the postoffice force on a second floor.

"In view of the above facts the department was at a loss to know how it should proceed to reasonably meet the requirements of the situation. If you desire to look into the matter personally, and after doing so will advise the department what you desire in connection with the building, the drawings will be taken up, and it is hoped that they may be finished and bids obtained for the work without further delay.

With respect to the suggestion made that the present site be sold and the proceeds applied towards the purchase of a larger site, or that it be exchanged in part payment of another site, you are informed that it would require specific legislation to enable the department to dispose of the present site and to acquire a new site. There have been several precedents for such procedure, the most recent being the case of Bristol, Pa., the legislation for which will be found in the act making appropriation for the Sundry Civil Expenses of the Government for the fiscal year 1912 and for other purposes, approved March 1, 1911 (Statutes U. S., 61st session, 41st Congress, page 1267).

"Respectfully,

"R. O. BAILEY, Assistant Secretary.

WILL PUSH THE COX CHARGES

Cincinnati, June 16.—After a verbal clash with Assistant Prosecutor Ayer, Common Pleas Judge Dixon took action today designed to free entirely from the law Boss Cox and fortify his previous decision quashing two personal indictments against Cox. Prosecutor Hunt charges that Dixon owes his nomination to the bench to Cox and states that he will not surrender in his battle to bring the Boss to trial.

SLEUTHS AT DELAWARE WORKING ON FAMOUS HENKLE POISON CASE

Every Little Clue Which Might Furnish Any New Development is Being Run Down

MERLE HENKLE'S CAT POISONED WITH ARSENIC

Authorities Deny That Any Man Has Been Mixed Up in Affair---Mrs. Henkle's Sons Will be Important Witnesses When Case Comes to Trial---Deputy Fire Marshal's Investigation.

Delaware, June 16.—Rumors that there may be something mysterious behind the Henkle case, that the sensation of sensations in the case, has not yet been brought out, were strongly emphasized today when it was learned from authorities that one of the leading detectives in this part of the country has been in the city with probably some of his assistants for at least 24 hours, working on the case from the point of view of some one interested in the defense. The detectives stole a clear march, it is said, and succeeded in remaining in the city for fully 24 hours before their presence became known, to add zest to the stories already afloat.

Who has brought them or just what their object is has not yet been revealed. In the Henkle woman's family and in that of the former husband, E. S. Way, is said to be ample funds to finance any investigation that might be decided upon.

The discovery that they are here, however, coupled with developments that seem to indicate an investigation of the grave of Mr. Way, the woman's first husband, and the fact that a pet cat belonging to Miss Henkle was poisoned with arsenic, furnished the day's chief developments in the case.

The story of the poisoning of a cat belonging to Miss Henkle last February, just after Mr. and Mrs. Henkle were married, was a new development of Thursday. Dr. Elwood Cowgill, who was called at this time, gives the following story:

"I was summoned to the Henkle home one night about 9 o'clock early in February and just after Mr. and Mrs. Henkle had been married and moved into their present home. Miss Henkle told me her cat was ill, and as soon as I saw it, I said the cat had been given arsenic. It had been ill three or four days before I was called, and died within a half hour, while I was still in the house. I did not think much of the case at the time, but I now recall the circumstances very plainly.

"Miss Henkle was crying and wondered where the cat had obtained its poison. I suggested that someone might have thrown it a poisoned piece of meat. She replied that this could not be, because she always cooked its food and meat. Mrs. Henkle suggested that some neighbor might have given the cat the poison, and to this statement Miss Henkel replied that the cat had not been out of the house for three or four weeks. Mrs. Henkle then argued that it might have gotten out in some way."

Dr. Cowgill expressed himself as confident that there could be no mistake in the diagnosis of the animal's trouble as arsenical poisoning.

There is just one other story the local officials would like to hear, that is the story of J. D. Henkle, husband of the woman under arrest, father of the girl who is alleged to have been her victim. And Mr. Henkle will not talk.

Hints at an unhappy love affair, creating a possible motive for her poisoning.

"Respectfully,

"R. O. BAILEY, Assistant Secretary.

"Respectfully,

"R. O. BAILEY, Assistant Secretary.

"R. O. BAILEY, Assistant Secretary.

"Respectfully,

"R. O. BAILEY, Assistant Secretary.

sinuation theory that Miss Merle Henkle may have administered arsenical poison to herself, through grief, featured a statement made by Mrs. Jessie Way Henkle, charged with poisoning her stepdaughter.

Beyond these vague and indefinite insinuations Mrs. Henkle in her statement is unable to explain why Miss Merle would desire to die so badly that she would seek her life by the slow poison route. Nevertheless, she is firm in her belief that an unhappy love affair enters into the case. Making no direct charges, Mrs. Henkle is serene in her confidence that the "true story will come out at the proper time and in the proper place."

The authorities are emphatic in their denials that any man in any way has been involved in the case.

"Merle has been despondent for weeks before she went to the hospital," said Mrs. Henkle. "She cried a great deal and was not herself. Then she went to that dance at Athens, and when she returned after a stay of several days she told me that she could kick herself all over town because she went. She said that she was not in condition to go and that she had come back sick."

"It was I who suggested calling a physician and I who sent for one, and it was I who, after weeks of working and waiting and nursing the girl, suggested she go to the hospital."

"When she first took sick I suspected typhoid. I took the best care of her that anyone could. In fact we have always been like sisters. I knew that she objected to my marriage to her father, but when she came to live with us I determined to make her happy. I told her not to call me 'mother,' but just to call me 'Jessie.'"

"She says I cut up one of her coats. That isn't true." Turning to her elder son, Fred, aged 12, she commanded him to tell about the coat. The boy willingly related the accident. Merle had been out one night, he said, and had torn her coat and hung it in his closet. The next day she went to get it and finding the three-cornered tear in the back, flew into a rage and accused his mother of having done it for spite work.

"And the grape juice—tell about that," Mrs. Henkle said.

Then the boy told how, when his stepmother was starting for the hospital his mother ran down, and got a glass of grape juice and how, when she came back downstairs part of it remained in the bottle. He said his brother and he both asked for it and that his mother told them to divide.

TENDERS RESIGNATION.

West Lafayette, June 16.—Dr. C. H. Beck, president of West Lafayette College, tendered his resignation to the trustees of the college and it was accepted. Dr. A. S. Hess, of Buchanan, W. Va., was named as his successor.

REPRIVE RECEIVED FIVE MINUTES AFTER MORELON FELL DEAD ON FIRING LINE

Los Angeles, June 16.—Five minutes after he had faced a firing squad and had fallen before the guns of Mexican rebels, orders from Culican, from the insurgent headquarters, were received to spare the life of Col. Morelon, federal commander of the troops in Sinaloa states, Diego Redo, formerly governor of that state, today revealed that fact and also asserted that two days before the execution, Col. Morelon was granted the

great cross of the first military order of Mexico, an honor which has been granted to but four men in Mexican history. When Culican surrendered, Diego Rega says, the rebel commanders pledged protection to Morelon. The pledge was violated immediately and Morelon was taken before the firing squad. Ten seconds later he was dead, but before his body was cold orders arrived from the insurgent headquarters to spare his life.

VETERANS OF MEXICAN WAR

(Continued from page 1.)
invaluable service to our country, both in war and peace.

DANIEL C. DARLINGTON,
President
ELEANOR E. FISHER, Secretary
June 15, 1911.

CAPTAIN HARDY'S RESPONSE TO ADDRESS OF WELCOME.

Hon. Mayor, Citizens and Comrades: The very pleasant duty has been assigned to me of making a response to the words of hearty welcome and the friendly greetings with which the venerable veterans of the Mexican War have been met by the patriotic citizens of your beautiful city on this our thirty-seventh annual reunion, and our second visit to Newark.

Your city was among the first to respond to the president's call for volunteers for the Mexican war and June 2, 1846, Co. H of the Second U. S. I. was mustered here with James H. Smith as a second lieutenant. The Ohio Association of Veterans of the Mexican War was organized at Dayton, O., Dec. 15, 1874 and I think I can say that I was elected as first secretary, and re-elected and served continuously in that position till his death in 1908. He literally "died with the harness on."

Since our reunion at Marion, on June 22d, 1910, two others of our most honored members have crossed the "dark river."—Dr. James Cutler and Dr. D. M. Henderson both of Union County, Ohio.

Some of the incidents which led up to the Mexican war occurred long ago in 1802 France ceded the vast Louisiana territory to the United States, who claimed Texas as being a part of the newly acquired territory. At that time Mexico was a Spanish province and Texas was claimed by the government of Spain as belonging to her Mexican possessions. In 1819 the controversy between Spain and the United States in regard to the sovereignty of Texas was settled by Spain ceding Florida to the United States and the United States relinquishing to Spain all claims to the territory southwest of the Sabine river. On April 14 years of sanguinary and destructive warfare between Spain and Mexico the latter became free from the rule of the former in the year 1821, the price of his liberty, but his action in the meantime the population of Texas was rapidly increasing, principally by emigrants from the United States and in 1835 numbered more than 20,000 chiefly Americans.

A provisional government was formed by Texas and the Mexican settlers were driven out of the territory. This act resulted in the invasion of Texas by General Santa Anna with an army of 7,500 men and a number of battles and skirmishes occurred between the parties prior to March, 1836 when the Texans declared their independence and April 21, 1836 the battle of San Jacinto was fought in which the Texans were victorious and Gen. Santa Anna taken prisoner, who as dictator of Mexico, acknowledged the independence of Texas, as the price of his liberty, but his action was nullified by the Mexican government, and he was banished from the country, but he relaxed their effort to regain their rule over Texas and her independence was acknowledged by nearly all the civilized nations of the world.

In February, 1845 after some very stormy and exciting debates in Congress of the United States and against the strong and threatening protests of the Mexican government, the ordinance of annexation was passed by Congress. The vote in the senate was 27 for and 23 against it.

A change of one vote would have made the senate a tie and perhaps averted the Mexican war for a time at least, but the act passed and war followed.

The battle of Palo Alto, the first battle of the war was fought May 8th, 1846 and the battle of Resaca de la Palma was fought the following day, both of which General Taylor's little army gained a splendid victory over much superior forces.

May 11, 1846 the president sent a message to Congress asking for men and supplies for General Taylor's army on the Rio Grande. A call was made for the enlistment of 50,000 12 month volunteers. Of this number three regiments of 800 each were assigned as the quota for Ohio to raise.

Camp Washington was established two miles north of Cincinnati, (now the heart of the city) and companies from all parts of the state reported for duty and from the many companies reporting three regiments were formed and forwarded to the war on the Rio Grande, at which place they were assigned to duty, which they faithfully and effectively performed. In 1847 two other regiments of 1000 each were enlisted to take the place of the 12 month volunteers who enlisted in 1846 and again Newark responded and furnished Co. B for the Fourth regiment.

These two regiments reported for duty to General Scott on the Vera Cruz route. Besides the five regiments named, Ohio furnished five companies for the Fifteenth regiment U. S. Infantry and several independent companies in one of which—Capt. Duran's Independent company—our worthy president served as an officer. The whole number of soldiers enlisted in Ohio during the Mexican War approximates 6,487.

The history of the Mexican war is unique in this, that in every great battle fought during the two years of warfare the Americans were the victors, although opposed by from two to five times their own number.

battle and capture of Mexico City. Under Col. Doniphan the battle of Sacramento in the State of Chihuahua, Mexico.

In May, 1848 peace was declared between the United States and Mexico and the latter ceded to the former a territory of more than 800,000 square miles bordering on the great Pacific ocean for more than 700 miles, with many good harbors, one of which, San Francisco Bay, could shelter all the navies of the world.

Great changes have taken place in our country since 1846. Then there were 26 stars on our banner of Freedom, now there are 48. Then our population was 20,000,000; now it is 90,000,000. Then our country was a world power, now it is THE world power.

HANDSOMELY REMEMBERED.

At a preliminary meeting of the State Association of Mexican War Veterans held Thursday afternoon in Memorial Hall, every visiting veteran was present and in order to hasten the transaction of the business coming before the association it was decided to transact some of the routine business. To that end the secretary, Miss Eleanor E. Fisher, of Granville, read the minutes of the two preceding meetings, held at Chillicothe and Marion, respectively. The minutes were adopted after which an motion it was decided to take up a collection to reimburse, to a limited extent, the secretary, Miss Fisher, for her excellent work during the time she has performed the duties of the office. Accordingly the hat was passed around, with the result that every veteran contributed liberally to the fund, and quite a handsome purse was raised for the young lady.

Meeting of National Association.

On a call of Captain George T. Barney, vice president, a meeting of the National Association of Mexican War Veterans was held in Memorial Hall Thursday afternoon. Captain Barney stated that as all the officers of the National Association had died during the past year with the exception of himself that it was necessary to reorganize the association. After thoroughly stating the matter to the satisfaction of those present all signified their willingness to join the National Association and were enrolled as members of the same as follows: George T. Barney, Elkhardt, Ind.; Levi Hartman, Napoleon, O.; John A. Fisher, Granville; Benjamin F. Jacobs, Parrots, O.; John Beattie, Charlevoix, Mich.; Duayne W. Rouse, Geneva, O.; William Mallen, Columbus, O.; Daniel Darlington, Newark; Jacob Schoenlaub, Marion, O.; Joseph Sawyer, Coshocton, O.; Henry Fleming, Newark; James E. Buell, North Vienna, O.; Captain E. A. Hardy, Lima, O.; Jackson Shade, Covington, O.; Samuel Cramer, London, O.; Joel Spohn, Somerset, O.; Wm. Flisk, Soldiers' Home, Sandusky; John Crowell, Cadiz. The following officers were then elected for the National Association: President, Captain George T. Barney, Elkhardt, Ind.; Daniel C. Darlington, Newark vice president; second vice president, Captain John A. Fisher, Granville; treasurer, Dr. Jerry Wooden, Gasport, Ind.; secretary, Miss Eleanor E. Fisher, Granville.

The next meeting of the National Association will be held in Columbus, the date to be fixed by the president.

RESOLUTION ADOPTED.

The following resolution was then adopted: Resolved, That as Captain George E. Barney of Elkhardt, Ind., has been elected president and Daniel C. Darlington of Newark and Captain John A. Fisher, of Granville, have been elected vice president and second vice president, Dr. Jerry Wooden of Gasport, Ind., treasurer, and Miss Eleanor E. Fisher, of Granville, O., secretary of the National Association of Veterans of the Mexican War, at their meeting held in Newark, O., on the 15-16 of June, 1911, be it

Resolved that they are requested and directed to notify Mrs. Moore Murdock, late secretary at Dallas, Texas, to send the record book of the National Association of Veterans of the Mexican War, by express to Captain George T. Barney, Elkhardt, Ind. or to Eleanor E. Fisher, secretary Granville, O., at once.

GEORGE T. BARNEY, Pres.
ELEANOR E. FISHER, Secy.

ADDRESS OF COL. W. L. CURRY AT CAMP FIRE

Another year has rolled around since your last meeting was held and I assure you that I am greatly pleased to see you again and highly appreciate your cordial invitation.

For many years I have been interested in the meetings of your association and some of your members, who have passed away I have esteemed as among my best friends for almost half a century.

As you meet in your declining years some sweet and some sad memories come trooping thick, and fast. Sweet memories of the many pleasant meetings you have had since the war in which you fought and which many of your comrades fell, more than three score years ago. Sad memories of the many who have passed away since the close of that war and whose presence added so much to the interest and pleasure of your reunions, each year.

A chosen corps they are marching on till the bugles of God shall sound recall.

I am pleased to report that in obedience to your request at the meeting last year, I have secured a steel case in the Adjutant General's Department at Columbus in which to deposit your records where they will be kept safely under lock and key for all time.

Fourteen names have been dropped from your roll of membership by death since your last reunion held at Marion, O., June 22, 1910.

GROVER HAD TWO WEIRD SESSIONS

SECOND AND THIRD INNINGS ARE SUFFICIENT FOR BABES TO ICE THE GAME.

Newark worked hard in the first but scored only a single tally—Move on to Portsmouth today.

Clubs	W	L	T
Portsmouth	1	24	584
Springfield	2	25	563
Marion	4	26	544
Chillicothe	29	25	537
Lancaster	2	29	482
Hamilton	2	31	446
Lima	25	32	439
Newark	2	32	429

TODAY'S GAMES.
Newark at Portsmouth.
Lancaster at Chillicothe.
Springfield at Marion.
Hamilton at Lima.

YESTERDAY'S RESULTS.
Portsmouth 2; Lancaster 1.
Chillicothe 5; Newark 1.
Marion 6; Hamilton 5.
Marion 7; Hamilton 2.
Lima 3; Springfield 2. (11 innings)
Springfield 7; Lima 2.

(By E. C. Hall.)

Chillicothe, O., June 16.—Revengeing themselves for two successive whippings on home territory the Babes came back Thursday and working behind faultless flinging on the part of Rice and Beebe, administered a stinging defeat to the lowly Molders—5 to 1. After the opening stanza had been passed in safety the invaders were powerless in the grip of the two slabmen Manager Wright found it necessary to use his fight to break the short losing streak which seemed about to throw the kids into a slump.

The change in pitcher's was made necessary by Rube Rice's arm giving out on him in the sixth inning, the Wisconsin lad being sent in to relieve him.

Newark opened the affray strong, and for a moment it looked as though the elongated Digger discard would be swept from the mound before he got fairly started. He braved the squall, however, and after that the sea was smooth and the sailing easy.

Bazgan started with a double on the foul line and the clouds assumed a still more threatening aspect when Newnam was allowed to get by on four wide ones.

Plummer heaved vainly at three wided ones, however, and on his third attempt Bazgan was caught a city block attempting to get over to third. Newnam passed on to second on the play and scored a moment later when Geyer ripped one through the infield. Blue acquired a life on Rice's error, but Rudolph missed everything offered and the fire was out.

Although threatening to become sassy on several occasions the Molders never really became dangerous after the Big Rube once got started. In the sixth Beebe took up the reins and he finished the battle in great shape, letting the invaders down with but one hit.

The Babes, rendered desperate by those two straight doses of bitters, tore things wide open in the second and third, scoring five and icing the squabble.

In the next frame three more were added after two men had perished. A double by Reilly, and three straight hits by Kelly, Wolfe and Kibler did the business. Both clubs then put their scoring machines out of commission but the infants had worked a little more advantageously while the still had a comfortable margin to work on when the last lap was passed.

Off Rice, 3; off Beebe, 1; off Goshorn, 2. Hits—Off Rice, 6; off Beebe, 1. Double plays—Bazgan to Munn; Wrights, Kibler to Wolfe. Time—1:10. Umpire—Traub, Attendance—500.

TWO FOR MARION.

Marion, O., June 16.—Marion copped a double-header from Hamilton yesterday. The first game was featureless, the Diggers winning 6 to 5. In the second game Holbs was derailed in the fifth, with the bases full. The squeeze was attempted and Kunkle threw the ball away, letting in three runs. Pitcher Goulart was suspended today indefinitely because of indifference playing at Lima last Monday. The scores:

Clubs	W	L	T
Marion	0	0	0
Hamilton	0	0	0
Batteries—Cooper and Smith; Bush and Kunkle. Umpire—Johnson.			

(Second Game.)
R. H. E.
Marion 0 0 1 3 3 7 7 1
Hamilton 0 0 1 0 0 1 1 3 5 11 4
Batteries—Lewis and Smith; Holbs, Jones and Kunkle. Umpire—Johnson.

LIMA 3; SPRINGFIELD 2.

Lima, June 16.—Lima and Springfield split even on yesterday's double-header before the largest crowd that ever witnessed a week day game in this city, there being nearly 1,000 people present. Nesser's and Long's last feeding feast, and the first game, which went 11 innings, and was the greatest contest witnessed on the local lot this season. Ashenfelder, released by Hamilton, pitched sweet ball in the second game. Scores:

Clubs	W	L	T
Springfield	0	1	0
Lima	0	0	0
Batteries—Hixon and McKee; Osborn and Patterson.			

(Second Game.)
R. H. E.
Springfield 0 0 0 2 1 0 3 10 3
Lima 0 0 0 0 0 1 1 2 6 1
Batteries—Ashenfelder and McKee; Munk and Patterson. Young. Umpire—Gouldner.

PORTSMOUTH 2; LANCASTER 1.

Portsmouth, June 16.—The champs laced their losing streak Thursday, winning from Lancaster, 2 to 1. Hartwig pitched superbly, the Lanks gathering but six hits off his delivery. In the field the locals put up a great exhibition without an error. Score:

Clubs	W	L	T
Portsmouth	0	1	0
Lancaster	0	0	0
Batteries—Hartwig and Beers; Cheney and Gehl. Umpires—Pastorius and Raphael.			

NOTICE OF APPOINTMENT.

Estate of Abraham S. Long, deceased.
The undersigned has been duly appointed and qualified as administrator of the estate of Abraham S. Long, late of Licking County, Ohio.

Dated this 1st day of June, A. D. 1911.
JOHN R. LONG,
Administrator.

RAIN AT LIMA.

Lima, June 16.—Today's Lima-Hamilton game was called off early this afternoon on account of rain.

S.S.S. CURES RHEUMATISM

The usual cause of Rheumatism is an excess of uric acid in the blood which weakens and acidifies this vital fluid, and prevents the proper amount of nourishment being afforded the muscles, nerves and tendons. The pains and aches of Rheumatism may be temporarily relieved by the use of liniments, hot applications, and other external treatments, but the disease cannot be permanently benefited by such measures and is bound to become chronic and dangerous if such things are depended upon alone. S. S. S. cures Rheumatism in the only way it is possible to cure the disease. It goes down into the blood, and removes the uric acid from the circulation. When S. S. S. has cleansed and purified the blood the pains and aches cease, all inflammation disappears, and every symptom of Rheumatism passes away. Book on Rheumatism and medical advice free. S. S. S. is for sale at drug stores. THE SWIFT SPECIFIC CO., ATLANTA, GA.

The Development of the Pacific Northwest

TO market the products of its fields, forests and waters, the great rich northwest demanded more adequate transportation facilities. Responding to this demand came the Chicago, Milwaukee & Puget Sound Railway. With a speed unequalled in engineering annals, the new line was constructed across the Dakotas, Montana, Idaho and Washington, and forms the shortest line between the Great Lakes and the Puget Sound. Freight service has been in operation for over a year and on May 28th, last, through passenger service was inaugurated.

"The Olympian" and "The Columbian" two beautifully equipped new steel trains, are operated daily between Chicago, Milwaukee, St. Paul, Minneapolis, Aberdeen, Seattle and Tacoma. The route is over the new steel trail of the

THE KAYSER GLOVE

THE KAYSER GLOVE

THE KAYSER GLOVE

ages of a country club porch party will play havoc with the intentions for one at the home.

All in all the Country Club fills a long felt want and its members who number about 150 will find it ever a delightful place for recreation and entertainment, for the location, grounds and club house are in every respect ideal.

Mrs. William Mitchell entertained with a very pretty six o'clock dinner Monday evening in honor of Mr. and Mrs. Henry R. Wood of Taunton, Mass. Mr. and Mrs. Wood were in Granville visiting friends, having come to Ohio to attend the marriage of their son, Carl Paige Wood, director of the Conservatory of Music of Denison University. His marriage to Miss Winders took place in Columbus.

Mr. and Mrs. Henry R. Wood of Taunton, Mass., were the honor guests at a delightful dinner party given by Mrs. R. S. Colwell on Tuesday evening. The appointments were exceptionally pretty and covers were laid for a number of guests.

Miss Grace Gorb honored Miss Una Marshall on Wednesday afternoon with a very pretty party and miscellaneous shower at her home in Buena Vista street. Out of compliment to the honored guest the home was festooned with hearts and red roses were used. The hours were spent in playing flinch and the trophy was received by Miss Clara Lisey who graciously presented it to Miss Marshall.

Each guest was then requested to write her favorite recipe for the bride and all of them were then enclosed in an attractive little cover.

A delicious supper was served the following guests: Miss Marshall, Mesdames Clyde Marshall, Merle Marshall, Carey Ferguson, John Franklin, Misses Florence Hart, Minnie Brown, Clara Lisey, Besse Glenn, Mary Larson, Valeria Pickering, Lillian Miller, Clara McDonald, and Mrs. F. L. Lake of San Antonio, Texas, Miss Edith Wilson of Pittsburgh, and Miss Clara Tomlinson of Wheeling.

One of the most enjoyable events which has been held in Centennial for some time was the supper which was given by the Grange there Wednesday evening, June 14. Three Granges and Licking Valley, Laylin and Chatham, besides the local one, were represented. After a time spent in games and social conversation, all departed at a late hour.

On Wednesday afternoon the Sunday schools of the Episcopal church held a most delightful picnic at the Montgomery grove east of the city. Over one hundred were in attendance and the party left Newark at 10 o'clock on a special car. The picnic was in charge of Mr. Henry D'Olier.

The hours were spent in games, a tug of war, and races for which prizes were awarded. Late in the afternoon a delicious picnic dinner was served.

The members of the Te Alca club were entertained at the home of Miss Mary Mahon on Thursday evening at her home in Hudson avenue. The event was a dinner party at six o'clock the appointments of which were delightful. The centerpiece was of roses.

Covers were laid for Misses Leontine Moore, Katherine Sedgwick, Louise Elliott, Lenora Phillips, Helen Chase, Eleanor Beecher, Mary Follett, Ruth Wintermute, Grace Wilson and Mary Mahon.

Mrs. John Fallon entertained with an exceptionally pretty children's party on Thursday afternoon at her home in North Sixth street for her little guest, Miss Mary Margaret Hanley of Coshocton. The afternoon was spent in playing games and a delicious collation was served the following little guests who were invited in to honor Miss Hanley: Margaret Bader, Catharine McGonagle, Anna Welsch, Keyes Kureth, Anna Guthrie, Geneva Guthrie, Frances Pickett.

LAMSON-ROBERTS.
The wedding of Miss Ella Marion Roberts and Mr. Robert Lamson took place at the bride's home in Granville on Thursday evening. Miss Roberts is the daughter of Mrs. C. M. Roberts, while the groom's parents, Mr. and Mrs. J. D. R. Lamson reside in Blissfield, Mich.

The Roberts home was beautifully arranged for the occasion with its myriads of blossoms and its profusion of foliage. The bride was attended by her sister, Miss Mary Roberts of Columbus, while Mr. Lamson's best man was Mr. Harold Haskins of Toledo. The bridal party took their places before the officiating clergyman, the Rev. Mr. Cleveland of Erie, Pa., who is a son-in-law of Mrs. Roberts, at promptly 7:30 o'clock. The processional music was played by Miss Marion Rose at the piano.

Rev. Mr. Cleveland solemnized the beautiful ring service following which the happy couple was showered with congratulations. The wedding dinner was served in the dining room and here fragrant blooms transformed it into a floral bower.

Mr. and Mrs. Lamson left Thursday evening for Cleveland where they will make a short visit after which they will go to Toledo for a visit before returning to Blissfield, Mich., where they will make their future home.

The out of town guests present at the wedding were Mr. and Mrs. J. D. R. Lamson of Blissfield, Mich., Miss Helen Lamson, Mr. Harold E. Lamson, Mrs. C. E. B. Lamson, Mrs. J. G. Lamson, Miss Katherine Lamson, Miss Mary A. Lamson, Mrs. E. L. Bowring, Mr. and Mrs. Charles Lamson and daughter and Mr. Harold Haskins all of Toledo, Mr. and Mrs. Kenneth Wood of Columbus, Miss Lillian Wood of Columbus, Prof. and Mrs. Orley See of Newark, and Miss Theobald of Canton.

It was a good thing for the Prodigal Son that he lived before the days of the Meat Trust.

TOMORROW'S MENU

BREAKFAST.
Fruit
Sugar and Cream
Cereal
Fried Egg Plant
Potatoes Au Gratin
Rolls
Coffee

LUNCH
Clam Chowder
Cocoa
Fig Cake

DINNER.
Tomato Soup
Brown Gravy
Beef Cannelon
Mashed Potatoes
Creamed Carrots
Lettuce
French Dressing
Wafers
Cheese
Lemon Jelly
Coffee

FIG CAKE—Cream thoroughly together one scant cupful of butter, add one and one-half cupfuls of sugar and beat again, add the beaten yolks of three eggs, one teaspoonful of vanilla, and one-quarter of a teaspoonful of salt, then alternately three cupfuls of flour and one half of a cupful of milk. Beat well, add the whites of the eggs whipped to a stiff froth and two teaspoonfuls of baking powder. Bake in four layers and when cold put together with the filling.

FILLING—Chop one-half of a pound of figs very fine; and five level tablespoonfuls of sugar and one-half of a cupful of boiling water; cook in a double boiler until thick enough to spread, add one teaspoonful of vanilla and put between the cake.

ITCHING IRRITATION.

Worst Form of Skin Trouble Quickly Cured by Inexpensive Treatment.

When you suffer with any skin trouble even though the itching seems unbearable, do not think that it is necessary to try some disgusting greasy ointment. Try HOKARA, a pure and simple skin food, that is guaranteed to contain no grease or acids, and which is so cleanly it does not soil the linen.

Its power to instantly relieve any irritation of the skin and make it soft, white and beautiful is almost miraculous.

Not only are minor skin troubles like pimples, blackheads, acne, barber's itch, etc., quickly cured, but the worst ulcers or cases of salt rheum or eczema are cleansed and healed by this wonderful skin food.

In order that any one may try HOKARA at small expense W. A. ERMAN & Son are selling a liberal sized jar at 25c and in addition guarantee to refund the money if the treatment does not do all that is claimed for it. Larger size 50 cents.

The man who pays cash is really a credit to the community.

WHAT a fascination there is in the graceful curves of a pretty ankle, or a pretty foot daintily shod? And what shoes can so enhance this charm as do the "Dorothy Dodds."

Take the trim, natty "Dorothy Dodd" Pumps for instance, or the more fanciful Ribbon Ties. They give you that clingfast fit which shows off the pretty lines as well as gives the most pleasing comfort.

As to choice—we have a wide variety in the most favored leathers—Patents, Gun Metal and soft, lustrous Black Kid. Priced at \$2.50, \$3.00 & \$3.50.

LINEHAN BROS.**A Dollars Worth For 50c. Free**

With each fifty-cent jar of CREME MARVELO we will give absolutely FREE one box of POUFRE MARVELO and a can of DENTOGEN TOOTH POWDER.

CREME MARVELO

is the original greaseless, delightfully perfumed and highly pleasing; is promptly absorbed, leaving the skin soft and smooth without the greasy.

POUFRE MARVELO

is as nearly an invisible powder as it is possible to make; lightfully perfumed and absolutely harmless. Four colors, white, flesh, rose and brunette.

DENTOGEN TOOTH POWDER

is one of the few tooth powders which can truthfully be called a peroxide powder as it is so compounded that when brought in contact with the moisture of the mouth it forms peroxide and is insurance against pyorrhea or receding gums, also rendering the teeth firm and white.

Remember that we only have a limited supply of these goods at these prices and would suggest that you secure an outfit at once as we are certain that once you try them you will use no other.

Get them today at

ERMAN'S THREE DRUG STORES.**SOCIETY GOSSIP**

All the social events of the week have been somewhat submerged by the brilliancy attending the formal opening of the Licking Country Club house on Thursday, and every one with social inclinations, large or small, visited the club sometime during the afternoon or evening.

Hardly a more appropos day could have been selected, for the grounds appeared at the very prettiest and a fresh cooling breeze swept over the large porches and through the beautiful club house. The house is well fitted for a large reception and as too guests arrived they were greeted by the members of the board of governors of the club. Then assisting in the various rooms were many beautifully gowned women and girls, and several of these also presided at the punch bowls.

The house is charmingly furnished for a country club. All the interior woodwork is in white and the furnishings are of green and burnished brass is used in the ornaments and in the chandeliers. Large and comfortable Crox Grass lounging chairs are placed about the living room and the large rug is of two tone Wilton velvet in green. In the dining room the furniture is also of green. For the reception Thursday all the decorations were of golden yellow and white. In the dining room the centerpiece was a huge cluster of daisies and in every available space was placed daisies in profusion.

In the afternoon the hours were from three to six o'clock and during that time about three hundred called. Stevens' orchestra was placed in the window seat in the main hallway and played during the reception hours.

Each guest was shown over the club house and then over the grounds. Ices and cakes were served in the dining room while the punch bowls were placed on the porch.

In the evening the grounds surrounding the club were lighted by hundreds of Chinese lanterns strung among the trees. The glow of these colored covered lights lent an inspiration to the scene which created the belief that one was in the land of fantasy and phantoms. A formal reception was held from seven to ten o'clock after which the members of the club and a number of friends danced from ten o'clock until eleven-thirty.

The beauty of the scene was greatly enhanced by the beautiful gowns worn by the women who were assisting and by those of the guests. During the evening about three hundred guests visited the club.

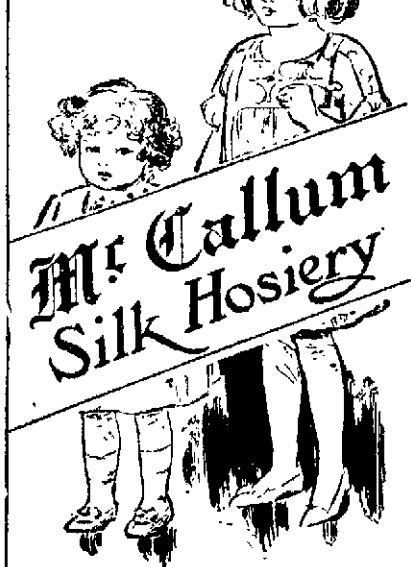

In the receiving line during the afternoon and evening were Mesdames John J. Carroll, Fred King, Emmett Baugher, W. H. Mazey, Albert A. Stasel, E. Cary Norris, Edward Kibler, Daniel Altshool, W. C. Miner, J. R. Fitzgibbon, Fred Black, J. N. Pugh and Miss Sarah Buckingham.

The aides in the dining room were Mrs. Frank Maurath, Misses Grace Philton, Hazel Altshool, Anna Orr, Louise Norpell, Bertha Fulton, Anne Davis, Frances Wrigat, Jane Irwin and Mabel Smucker.

Dispensing punch were Misses Anna Sprague, Martha Wright, Sarah Walker, Marjory Collins, Bertha Latimer, Juliette Besuden and Sarah Stasel. But to the gentlemen attending the reception the club house and its groups of chatting women failed to prove as big an attraction as the beautiful golf course and great numbers could be seen making over it during the afternoon.

The Licking Country club will prove a prominent factor in the future social life of the city for the remaining summer months. The committees are planning many delightful events, formal and informal, and many of the members will entertain individually there. The pretty private dining room will prove an inducement to intimate little dinner parties, and the advantage of a country club porch party will play havoc with the intentions for one at the home.

Heart and Home Talks
by Barbara Boyd
In Cupid's Realm.

Does the Domestic Life Hamper?

WHAT a handicap to intelligent thought and action, the average marriage relationship is," writes a correspondent. "I am beginning to agree with Shaw that marriage ought to be abolished."

This conclusion is reached by my correspondent because her brother, a man much interested in the natural sciences, when with her and interested friends discourses by the hour on biology and kindred subjects in a most entertaining and inspiring fashion. He wakes up all over and is a different man from the one of his own household. For when with his wife and family, he seldom mentions these matters, since no one is interested in them. He is, as the writer says, "Just a domesticated animal, like most middle-class married makes. Away from his family, he is a more interesting, a more worth-while man." So she concluded, domesticity is a handicap, and marriage is holding down many a genius into a humdrum commonplace existence.

Perhaps this is true. Those who have read Wells' "Love and Mr. Lewisham," may recall Mr. Lewisham's wonderful "Schema," written when a student, by which he was going to revolutionize the universe and make everything straight and as it ought to be, by his genius; and how, at the end of a year of married life, he tore his "Schema" into bits and threw it into the waste-paper basket, and went to grubbing to support his wife, a baby and a mother-in-law. He never spent hours discoursing to his wife upon the sciences he had given years to master, because in the first place his wife wouldn't have understood him, for she had never studied science, and in the second place he spent his days chasing over London trying to find work, and at night he was too dazed to talk. Domesticity had clipped his wings. Yet he felt that having a son was more worth while than having a career.

Which is the saner conclusion? Is domesticity a hamper? Or are its rewards the better?

Sentimentally, we may think its rewards more worth while; yet nevertheless, many a man and many a woman as they say this, think back a bit regretfully to their youthful ambitions. They sigh a bit as they recall certain cherished projects now thrown overboard to marry, and of how different their life is from what they had planned. Sometimes, they think a little bitterly that it would be some compensation if they could discuss these ambitions in their home, and find intelligent sympathy. But as in the case of my correspondent's brother, those of the family circle do not appreciate these attainments or interests, and if they want appreciation, they must seek it outside of the home circle.

But surely, the marriage relationship in itself is not to blame for all this. But rather the conditions under which married life is today lived. Marriage becomes to the man, largely a matter of supporting the family, as it did in Mr. Lewisham's case. And everything else must be dropped in order to wage this warfare for a living. With the wife, it becomes a matter of making ends meet, of sweeping and cooking and cleaning and mending and taking care of the children. Their conversation is more concerned with shoes for the children than science. These are the things that hamper; not marriage in itself. It is these hampering conditions that should be abolished, not the sweetness and inspiration of comradeship.

The great majority of married people are compelled to live the lower life at present, to be consumed with anxiety over the bread-and-butter facts of existence because of industrial conditions. Remove this bread-and-butter anxiety, and the mental and spiritual life would spring up like flowers when the icy hand of winter is removed.

Proper breathing exercises are absolutely essential to chest development as well as good health. You must also learn to walk correctly. You will then fill the lungs with pure air, expand the chest and improve the circulation.

MEETING OF
DEM. CENTRAL
COMMITTEE
Johnstown, O., May 31, 1911.
There will be a business meeting of the Democratic Central Committee, on
SATURDAY, JUNE 17, 1911,
At 10 o'clock a. m., at Assembly Room in the Court House. It is especially urged that each Committeeman be present, as there will be important business to transact.
JAMES J. HILL,
Chairman of Central Committee.
ARTHUR BOLLWINE, Secretary.
As a matter of course William Lorimer was on hand on Monday to vote against the direct election of Senators. It is only in the corruption of Legislatures with money levied upon spoliation Trusts, that such as he can reach the Senate.

President Taft holds that if this special session of Congress shall only pass the Reciprocity bill it will have accomplished its purpose. Yet the Farmers' Free List, with the President's signature attached to it, would be a very timely and handsome supplement to the bill.

Hitchcock's Economy.
Thirty-five dollar wastepaper baskets, \$298 desks and \$320 tables were some of the little economies effected by Postmaster General Hitchcock in furnishing his "red room" and "brown room" offices. These and other striking examples of Republican parsimony in the testimony taken before

The House committee on expenditures in the postoffice department.
Mr. Hitchcock sanctioned the expenditure of \$7,500 in refurnishing three rooms, \$4,000 of which went to furnishing the Postmaster General's private office alone. Circassian walnut furnishings especially designed and manufactured to special order, and specially designed carpets and draperies furnished the nucleus of this expenditure.

A "WET" PETITION.
Encouraged by the presence of a large number of newcomers in the city, the "wet" forces in Ashland have started a petition asking that the question of the sale of intoxicating liquors be again submitted to the voters, writes the Ashland Times-Gazette. Several copies of the petition have been circulated in the shops and are kept in places where men congregate in the city.

NEW TELEPHONE DIRECTORY SENT TO SUBSCRIBERS

Automatic Service to Begin Sunday: "Cut-Over" Starts at 10 Tomorrow Night.

The Newark Telephone Company is today delivering new directories to local subscribers as the new automatic service will be started late Saturday night. Subscribers who do not receive a new directory by 4 p. m. Saturday are urged to phone to the central office and a directory will be sent by messenger.
All users of phones are requested to read carefully the instructions so as to know how to use the new service.
Every telephone number has been changed so it will be necessary for one to have a directory or call the information operator before your party can be connected.
The East, North and West branches will be "cut over" at 10 p. m. Saturday, and will be in service early Sunday and the main exchange will be cut over early Sunday. The work will probably be finished before noon.
The new automatic service has many advantages over the old system as will quickly develop after the installation is complete, but Manager Hollander is not expecting to give perfect service immediately, as it is probable that some adjustment of instruments will be necessary after the cut over Saturday night.
As soon as the present subscribers are given service the company will install a large number of new phones and another telephone directory will be issued within three months. Read the rules and directions carefully and phone for a directory after 4 p. m. tomorrow if you happen to be missed in the delivery of the new books.
The clock strikes, but never for shorter hours.

Common Pleas Court.

In the case of the State of Ohio vs. Charles Ames and Dave Elliott, indicted for making an assault upon P. N. Warner, a constable at Utica, in January last, the jurors found Ames not guilty.
The case of the State of Ohio vs. William Caldwell was on trial in the Common Pleas court Thursday. He also was charged with making an assault on P. N. Warner in March last. Both cases grew out of serving of warrants and arrest of Ames and Caldwell in connection with bootlegging.
The case of Nesbit H. Cole vs. Isaiah Shimmel was argued and submitted to the court. This is an application for leave to file a petition in error in forcible entry and detainer from the judgment of the Justice of the peace.
State of Ohio vs. Benjamin Wright, indicted for failure to provide for minor child. Defendant failing to appear when case was called for trial, his bond, in the sum of \$500, was forfeited.
State of Ohio vs. Jesse Dunn; same charge; plea of guilty; defendant gave bond in the sum of \$500, conditioned to provide for the child and for his appearance at the next term of court.
State of Ohio vs. Wm. Caldwell, indicted for assaulting P. N. Warner, constable at Utica, the jurors found Caldwell guilty. A motion for a new trial has been filed by Caldwell's attorney.

ALBERT CAMP.

Albert Camp, aged 66, well known farmer residing near Zanesville, died at his home on Thursday night from the effects of a stroke of paralysis. William Camp, of this city, is a son of the deceased. The funeral services were held Thursday afternoon and the interment was made in Greenlawn cemetery Zanesville.

SORE FEET GO

Drives Pain from Feet and Banishes all Agony from Corns, Bunions and Callouses.

Feet Feel Like Lumps of Lead?

Rejoice and be glad all ye residents of Newark who suffer from sore, painful, burning or smarting feet, for all up-to-date druggists everywhere now sell EZO, the different remedy that relieves all foot misery in five minutes and makes feet good as new over night.
EZO is a refined ointment, very pleasant to use, and a good sized jar only costs 25 cents.
It surely is the finest thing on earth for swollen or aching feet, and it promptly extracts the soreness from corns, bunions and callouses.
If you want a pair of comfortable feet that won't give you any bother throughout a strenuous day, get EZO and rub it on, that's all.
And EZO is mighty good for other things too, sunburn for instance, and chafing, and is very soothing and healing in skin diseases. Mail orders filled, charges prepaid by Ezo Chemical Co., Rochester, N. Y. For sale by Evans' Drug Store.

SUMMER DAYS.

The summer comes to greet us with nod and beck and wink; and it will overheat us, and put us on the blink; and the solar rays will smite us, thermometers frighten us, and bugs and flies will bite us and drive us all to drink.
That is of course providing that we are short of spine, and when we get a hiding, can only stand and whine; but if we're brave and cheery, no weather makes us weary; we simply say: "Oh, dearie, the summer's surely fine!" The man who sits a-fussing, complaining of the heat, and pawing round and cursing and wishing there was sleet, will suffer more from weather, while straining at his tether, than all the rest together—and summer's good as wheat. The good old trusty summer a boon to me appears; it surely is a hammer, with whisks on its ears; I sit beneath the willows on soft and silken pillows, drink lemonade in billows, and have no time for tears. The summer is a corker; it grows the grass and corn which fatten up the porker and cow with crumpled horn; the man who roasts this season the which there are no fleas on, is fit for spoils and treason, and shouldn't have been born.

PERSONALS

Mrs. Daniel Shepardson left today for Philadelphia.
George Peiri, Clyde Sensabaugh and Dennis White have returned from an auto trip to Toledo.
Messrs. W. D. Harris, manager of Buckeye Lake Park and Mr. Bernard Smith were in Newark today.
Mr. John Stuber of Barrs Mills, O., is visiting at the home of his son, Prof. B. F. Stuber, 182 West Locust street.
Mr. and Mrs. S. Siegrist went through Newark today in their White Steamer touring car enroute from Cleveland to Coshocton.
Mr. Earl Kinney will leave Saturday for Buffalo, N. Y., to attend the Woodmen's National convention. He will also visit other eastern cities.
Mrs. William Lewis and daughter, Mrs. Claire Kelley and little son of Cambridge, will visit relatives and friends in the city for a few days.
Messrs. Charles Henry, Gus Arther-ton and James Fitzgerald have returned from Akron where they have been attending the Eagles convention.
Mr. and Mrs. O. B. Young, residing west of the city, will leave Saturday for Buffalo, N. Y., where they will attend the Woodmen's National convention. They will also visit at Niagara Falls.
Mrs. Smith Marvin is very ill with paralysis at her home on Jefferson street. This is the second stroke and her condition is precarious as she has lost her speech and the general condition is not favorable to her recovery.
Mr. Harry Amos of Cambridge, a graduate of Denison University, Granville, and who is connected with the Cambridge Jeffersonian, was in Newark Friday evening on his way home after having spent several weeks in the extreme south.

WORLD CHECKER CHAMPION HERE

Newark People See Wonderful Exhibition of Fine Checker Playing at Y. M. C. A.

Alfred Jordan, champion checker player of the world, is in Newark and has entertained the enthusiasts of this game with his knowledge of the fine points of this old form of amusement.
Jordan comes from England where he has won a reputation which has extended to every corner of the globe where the checkerboard plait and the black and white discs are known.
His record as a checker player is probably not equaled by experts in any other form of contest. He has not met with defeat in two years of continual playing and he has met every one who aspires to the championship.
He has only recently returned from Australia and New Zealand where he cleaned up every player who thought he knew something about checkers.
In Newark he has given a number of exhibitions at the Y. M. C. A. building. Thursday night he played against twenty different men at the same time. Twenty boards were laid out in a half circle and Jordan took his place in front of the opposing players and as fast as one man made a move, the champion jumped to this board and made his move. He won every one of the twenty games.
Several games played with the best checker players in the city showed that Newark has some pretty fair players. Five of the games ended in a draw, neither player being able to defeat the other.
Jordan is accompanied by M. D. Teetzel of Chatham, Ontario, Canada. Teetzel is champion of the great Dominion and is an excellent player, but has been unable to defeat Jordan.
The two crack players will remain at the Y. M. C. A. building giving ex-

hibitions tonight. They showed their prowess as masters of the art of checker playing before a large number of interested spectators.

WILL VISIT OLD HOME IN GERMANY

W. J. Steinkemper and wife, of Sidney are visiting Newark friends for a few days, before starting for a three months' visit to their homes in Germany. They will leave for New York Sunday night and will sail on the Kaiser Wilhelm de Grosse Tuesday morning.
Mr. Steinkemper's hotel business, during his absence will be managed by his son, Oscar, while his daughter, Miss Amanda, who last week was graduated from the Sidney schools, and his son, Walter will stay with their aunt, Mrs. William Schopen of Woods avenue.
FIFTIETH ANNIVERSARY OF HER GRADUATION.
Mrs. Martha Wintermute, of this city, attended the reunion of the alumni of Ohio Wesleyan University at Delaware on Wednesday, it being the fiftieth anniversary of her graduation. There were forty members in her class, and of this number more than one-half are dead. At the reunion this year there were only five members of the class in attendance. They were Hon. W. A. Warnock, of Urbana, who carried the banner and who was followed by John Andrews of Kansas City, Mrs. Dr. J. M. Southard, of Columbus; Mrs. Martha Wintermute, of Newark, and Mrs. Elvora Dunn, of Delaware.

REGARDS HIS CURE AS A MIRACLE

This Illinois Man Had Stomach Trouble and Was Becoming Paralyzed.

Mr. J. F. Bennington, of Dallas City, Ill., regards his cure by Dr. Williams' Pink Pills as a miracle. He is well known both at Stronghurst, Ill., where he formerly resided and at La Harpe. For years he has been recommending the pills that cured him. He says: "My stomach trouble, which afflicted me for about two years, began with a general weakness. I didn't have strength enough to hold up my head and could eat nothing but lactated food for over six months, while it was more than a year before I could eat any solid food. I had palpitation of the heart and my breath was short. My left leg and hand gradually became numb and I could not use either for a long time. At first my hand felt full of needles when I closed it; afterwards there was no feeling in it at all. I had many sleepless nights and suffered intensely. I doctored at Stronghurst and La Harpe and had two specialists from Chicago, but there wasn't one among the doctors who could tell what my trouble was and their treatments did not help me. My brothers moved me to La Harpe from Stronghurst during my sickness but I had no hopes of ever getting well. I took electric treatment without any help and many medicines with no better result. My home doctor came to see me one morning after he had been treating me for three months and told me that he couldn't do any more for me and that I ought to go to the Springs. But as I couldn't sit up or walk I kept on trying different doctors for eighteen months. When one is sick some one always suggests a remedy and in my case an old lady friend recommended Dr. Williams' Pink Pills and I decided to try them. I took them for two weeks, carefully following the directions and at the end of that time began to crave a good meal. My hand and leg got so that I could use them again. I gradually regained my health and weight and have worked as ever from that time. I haven't missed work on account of sickness but two or three days in the last nine or ten years. My cure was certainly a miracle as all my friends and relatives expected to hear of my death."
Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

MR. EVERETT SPENDING NEARLY \$500,000 ON TWO HOUSES WASHINGTON AND VERMONT

Washington, June 16. — Edward H. Everett, the millionaire glass manufacturer of Newark, Ohio, is spending nearly \$500,000 on new building operations and will soon have two handsome residences, one located in Washington, the other at Bennington, Vt.

Mr. Everett, who is interested largely in Texas ranches and in oil properties in the Ohio-Pennsylvania fields, will make his permanent home in Washington as soon as his new exclusive section of Sheridan Circle neighborhood, is finished. The country house in Vermont will be his summer home. Both new dwellings are after plans prepared by George Oakley Totton, Jr., architect, of this city.

Work on Mr. Everett's Sheridan Circle house was begun about three months ago by the George A. Fuller company, and the building is now well above the second story level. It is to be completed by next spring. The main entrance to the house will be on the Twenty-third street side, and all of the living rooms will overlook the proposed extension of Rock Creek Park. The house will be entirely of fireproof construction. Immediately in the rear of the house will be built the proposed Q street bridge across Rock Creek valley.

An unusual feature of the dwelling is the fact that it is being built entirely on made ground, and before work was started it was necessary to sink fully 200 concrete piles from 20 to 50 feet in the ground to afford adequate support for the foundations.

Taking advantage of the contour of the land, ground on the Rock

creek frontage being lower than on the Sheridan circle side, the architect drew plans for a basement entirely out of the ground, and in this lower part of the house there will be placed a garage, billiard room and sleeping quarters for the man servants' quarters and reached by a separate stairway, the basement also will contain a large swimming pool. The arrangement of the first floor will include a large entrance hall, thirty feet by forty feet in size; a small reception room, smoking room, two complete suites for guests, the kitchen and service rooms. The second floor will contain the dining room, breakfast room, two small saloons, conservatory and a large living room.

Bedrooms and a roof garden will occupy all of the third floor, while quarters for maid servants will be located in the attic. All of the interior finish of the house will be in the finest hard woods. The house is after the Italian renaissance type of architecture, and it is being built of limestone, which in the passing of time will become an almost pure white, resembling marble.

Mr. Everett purchased upward of 500 acres of land near Bennington, Vt., surrounding the site upon which his summer home now is being built, and part of the property included a mountain of considerable height. The house is being built on one of the slopes of this great hill, and because of its elevation it will command magnificent views of the country and the surrounding mountains.

In preparing the plans for the house Mr. Totton, who spent several days on the site, made the design so that the house might fit the locality, with especial reference to sunlight, air and view. The living room, 30x40 feet in size, for example, is located on the north side of the house, with a view in that direction of fully 20 miles to a distant range of mountains. The dining room and breakfast room, also on the first floor, command views to both the north and south. The first floor also will contain a billiard room, den, recreation room, kitchen and service rooms. The second floor will contain more than a dozen sleeping rooms, many of them with connecting sleeping porches. Sleeping quarters for servants will be in the attic.

Surrounding the house on three sides will be a wide veranda, built so that the fullest advantage may be had of the sunlight and the view. The exterior construction will be of worn gray limestone, which is being quarried on the place. Red tile will be used for the roof. The interior finish of the main floor will be of hard woods in natural colors.

The house will be more than 200 feet in length, and in its widest portion it will be about 160 feet deep. It will be completed next spring. Frank L. Wagner, a Washington builder, is in charge of the construction.

Cures baby's croup, Willie's daily cough and bronchitis, mamma's sore throat, grandma's rheumatism, Dr. Thomas' Electric Oil—the great household remedy.

MAIL ORDERS

People make a great mistake in ordering merchandise of any kind through mail order catalogues. In watches, clocks and jewelry there is more swindling than in almost any other line.

If you want to save both money and trouble and be confident that you have purchased an article of merit, go to the reliable store of Haynes Bros., Jewelers, No. 8 North Side of Square, where reliability prevails. You can have here a great variety to select from and not only see just what you are getting, but back of it is the guarantee of one of our best known home merchants. 14-16-19

Daddy's Bedtime Story

Good Elephant
Was Also a
Bad Elephant

"Do you want a great big story tonight?" asked daddy.

"Yes, sir," said the children.

"Well, then, I'll tell you one about an elephant," said daddy.

"Will that be big enough?"

"Is it about a circus elephant?" asked cautious Jack.

"Yes, sir," answered daddy, "and she—her name was Mlle. Djek, which you can say in English almost like Jack—was the most intelligent and yet the cruellest animal that ever was exhibited to the public.

"She was the principal actor—or, I should say, actress—in a play that ran in England for more than two years. She was first seen taking the dead king of Siam to his grave. Then she found that her favorite, the real prince, was being buried alive so that his cousin could be king instead of him.

"So she nosed about with her great long trunk, found the coffin in which her prince had been put, took him out tenderly and brought him back to his throne. Then came the question of punishing the bad persons who had tried to hurt the prince.

"And that was easy. All she did was to go to the cell where they were locked up, pull off the iron door and sit on them.

"That is, of course she didn't really sit on them, for that would have been wholesale murder every night, but she pretended to do so cleverly that everybody in the audience would gasp and fish around for their pocket handkerchiefs.

"Then came the crowning of the king, and Djek marched over to where the golden ring was placed and brought it over and put it on her prince's head.

"Now, you'd think an animal as nice as that would be nice to anybody, wouldn't you?"

"Surely," said the children.

"But she wasn't," went on daddy. "She was so bad that in spite of her cleverness the people demanded that she be killed.

"She crushed three of the keepers who had been most kind to her, and her owners knew that she must be put out of the way.

"So they rolled up a great big pill about the size of a baseball filled with all sorts of poisons and put it in her evening meal of bran mash. Then everybody got out and waited.

"A few minutes later Djek tore all her chains loose and gave one trumpet call from her long trunk and then fell over with a crash like an earthquake."

"Served her right," said Jack. "She was a mean thing anyhow."

"Well, I don't know," said Evelyn. "I'll bet you'd like to see her in a circus tomorrow."

Quarter Century Ago.

(From Advocate, June 16, 1886.)
A horse belonging to Andrew Smucker, the liveryman, became frightened at an ice wagon this morning, and rearing, upset the buggy, damaging it considerably.

Mr. Alva Wilcox, of this city, who applied for patents on two articles at Washington has received word that his articles are patentable.

One of the horses, "Madam," of the engine team of the fire department died last night.

Fifty Years Ago Today.

June 16.
North stirred by reports of dimmy clothing supplied to volunteers.

Twenty-five Years Ago Today.

Edwin Percy Whipple, critic and lecturer, died at Boston, aged sixty-seven.

made the Advocate office a pleasant visit. The colonel was on his way to Chicago Junction to visit his two sons, and will go from there to Lorain, O., as a delegate, on Tuesday, June 20, to attend the state encampment of the G. A. R. He represents Baird Post No. 653 of Pataskala.

Thank Offering at White Chapel.

There will be mission and thank offering Sunday evening at White Chapel, instead of Saturday as was stated.

York Street Services.

Rev. W. D. Ward, of the Central Church of Christ, this city, with his male quartet, will hold services at the York street church on Tuesday evening, June 20.

Dick Athey Again.

Dick Athey imbibed too freely during the day Thursday and was picked up in the evening on a charge of being drunk. He was fined \$5 and costs in police court this morning.

Will Inspect Zanesville Vets.

Captain Thrap of this city will inspect the Spanish war veterans at Zanesville this evening. The veterans will also elect a delegate to the state convention which will be held in Hamilton July 2-4.

Will Address Grange.

Professor D. H. Davis, professor of Horticulture in the agricultural department of the Ohio State university, will talk before the Summit Grange this Friday evening. Mr. C. A. Wagy will have charge of the meeting.

Coming Nuptials.

Miss Amy C. Rossin of this city, and Mr. Irving R. Marchant of Indianapolis, will be married Wednesday evening at the home of the bride in Thirteenth street. Owing to the recent death of Mr. Rossin only the relatives will be present.

May Decide To Remain At Marietta

Marietta, O., June 16.—Superintendent J. V. McMillan, who was recently elected to the superintendency of the Newark schools, in an interview here stated that he had not yet decided to accept the Newark offer. Mr. McMillan is being importuned by all the leading and professional men to remain at the head of the Marietta schools and in all probability will decide to do so.

Bound Given By Norris

And An Affidavit For Lunacy Filed In Probate Court Against Harrigan Who Made Charge.

George Norris, the Columbus detective, who was charged with the illegal sale of intoxicating drinks in Licking county, by J. P. Harrigan, came into court this morning and gave bond for \$200. About the same time G. L. Bennett, a well known man of Columbus, filed an affidavit in the Probate Court charging J. P. Harrigan with being insane. Judge Hunter immediately issued a warrant for the arrest of Harrigan, which was placed in the hands of Sheriff St. Louis, but that official has not yet succeeded in locating him.

How Ladies Improve Looks!

"Many ladies, old and young, suffer a round of troubles with their faces, and many are so frail, thin and bloodless, that their splendid features are lost sight of, while a vain attempt to conceal the irregularity of the face deceives no one but themselves, and really excites the pity or ridicule of the world," said a well known, highly employed, practicing physician, in a recent lecture at a young ladies' college. "I do not mind exposing a little secret of mine to all such as it can do no harm and may result in much happiness and health. It is simply this: Any thin, bloodless, pale-faced man or woman, can become as fit as the fittest by taking regularly for several months an easily obtained, pharmaceutical product known as 'three-grain hypo-nutric tablets,' put up in coated packages with directions for home use."

SUPERFLUOUS HAIR

Should Never Be Removed With Poisonous Pasty Compounds Because They Are Dangerous and Increase the Growth.

The preparations above referred to are invariably in the form of creamy pastes. These are easily recognized by their pale, grayish-greenish color. They are to be spread upon the skin to remain until they are dry. These contain sulphide of Barium, an insoluble chemical, which cannot be dissolved, therefore cannot be absorbed by the skin. The very fact that you are told to leave these pasty compounds on the skin until they dry and cake and then lift off with a knife is proof positive that they are to remain on the skin why do they still remain on the skin? The most they can possibly do is to remove the surface hair, which in consequence will reappear stronger and thicker after each removal.

There is only one logical and scientific way to remove hair and that is by means of a liquid containing soluble ingredients which can be absorbed by the skin. De Miraculo, known all the world over as the only real superfluous hair remover, is just such a preparation. It is easily and quickly absorbed and after you have used it you will note there is nothing left on the skin. It leaves the skin free from irritation, and what is more to the point, it is absolutely non-poisonous, therefore it will not produce eczema or blood poisoning. Remember, no matter what claims are made to the contrary, no poisonous, pasty compound or so-called "liquid cure" ever did or ever will destroy a single hair root, and we can prove it.

The extravagant claims recently made by unscrupulous manufacturers of hair removers in sensational advertisements unquestionably justify physicians in cautioning the public against the use of this class of depilatories. How many people have been enticed into using these dangerous preparations with consequent injury to themselves cannot be estimated, but only guessed at, therefore beware of false free advertisements and others, who by wording of their advertisements, try to give the impression that newspapers and other reputable publications endorse their worthless preparations. Don't be deceived by them. De Miraculo is the only preparation which is so endorsed. De Miraculo is sold at all good stores, including T. J. Evans' drug store.

No honest dealer will offer you a substitute on which he makes more profit.

We will send you a 52-page booklet containing full information concerning this remarkable treatment, as well as testimonials of prominent physicians, surgeons, dermatologists, medical journals and the principal magazines and newspapers. You should read this booklet before you try anything. Write to the De Miraculo Chemical Co., Dept. R-11, 1905 Park avenue, New York, simply saying you want this booklet, and it will be mailed, sealed, at once.

Note—All readers of this paper who are afflicted with superfluous hair growths are strongly advised to write for information concerning this wonderful method, which is endorsed the World over by eminent authorities, who have made a lifelong study of this subject.

GOOD PLUMBING AT COUNTRY CLUB

One of the features at the new Licking Country club house, is the plumbing. The city water has been piped from Sixteenth street to the club house, and the splendid plumbing features add to the beauty of the well appointed building. Lavatories, shower baths, tubs, etc., are direct from the J. L. Mori Iron Co., and their beauty and design cannot be surpassed. The closest combinations are what are known as The Hamilton Gem, Ben Bars, and are noted for being perfectly noiseless in operation. A Rigid automatic storage water system has been installed which gives an unlimited amount of hot water at all times, and will be of utmost convenience.

Much credit is due Mr. J. Todd Abbott, who has furnished and installed the plumbing fixtures, as he has taken unusual pains to give the owners the finest job that could possibly be had, and when completed it will undoubtedly be one of the most elaborate pieces of plumbing work in and around Newark.

CHAMBERLAIN'S Cough Syrup.

Cochran, June 16.—Ole Tvedahl, an automobile driver, was stricken with paralysis while driving C. L. Taylor's car from Churchville to Cochran. He left the attack coming on in time to apply the brakes and then he was rendered speechless. His condition today is regarded as serious.

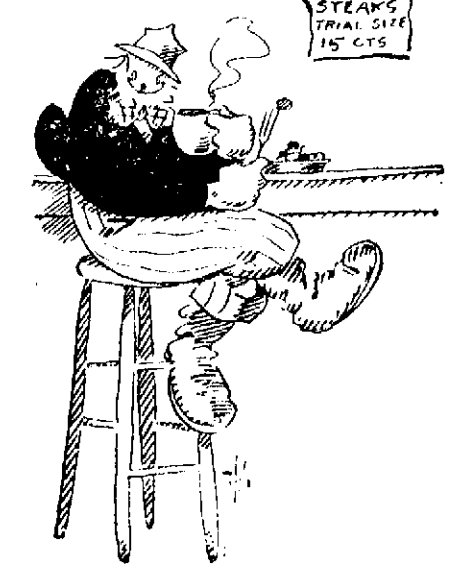

TRUTH WILL WIN.

Though all the winds of doctrine were let loose to play upon the earth, so Truth be in the field, we do incalculably, by licensing and prohibiting, to mislead her strength. Let her and falsehood grapple. Who ever knew Truth put to the worse in a free and open encounter?
—John Milton.

Miss Immortelle Bud did this morning. Just when she was becoming the most popular girl in town singing in public.

A married man allus has a hard time feelin' for a dime on account of so many pants buttons in his pockets.

Estimates No. 101 and 104, Jan. 1st, 1912.

On failure to complete the contract or contracts within the time specified, the contractor or contractors shall forfeit to the Commissioners of Licking County, Ohio, the sum of \$25.00 per day for each and every day that may elapse between the time specified for the completion of the said work and the final completion thereof, which sum shall be stipulated as damages suffered and incurred by said County Commissioners by reason of the failure of said contractor or contractors to complete the work in the time specified.

No proposal will be considered unless it complies with all the rules and regulations here given, and the same shall be written or printed in the standard bidding blanks.

All bidders are WARNED to carefully read and comply with the same. The Board of Commissioners reserves the right to reject any or all bids.

By Order of the Board of County Commissioners of Licking County, Ohio.

C. L. RILEY, County Auditor.

SHE HAD CONSTANT PAIN

Until Relieved by Lydia E. Pinkham's Vegetable Compound.

Dewittville, N.Y. — "Before I started to take Lydia E. Pinkham's Vegetable Compound I suffered nearly all the time with headaches, backaches, and bearing down pains, and had a continuous pain in my left side. It made me sick if I tried to walk much, and my back was so weak that I was obliged to wear corsets all the time. But now I do not have any of these troubles. I have a fine strong baby daughter now, which I did not have before taking Lydia E. Pinkham's Vegetable Compound." — MRS. A. A. GILES, Route 44, Dewittville, N.Y.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

HENKLE CASE

(Continued from Page 1)
what remained in the bottle. He said they both drank what remained in the glass and that in the bottle, out of which the glassful taken to the girl was poured.
"I don't look as if I had been poisoned," he added.
"No, and you do not know how thankful I am that you two boys saw me pour out that grape-juice," added his mother.

As to the contention that arsenic had been put in the drinking water, Mrs. Henkle said that they had all used the same water from the same pitcher, and that even if she had desired she could not have poisoned the girl through this medium without poisoning the rest of the family.
Relative to the relations existing between Mrs. Henkle and her step-daughter, Mrs. Lockwood, who lives next door, said yesterday that so far as she had even seen they had been pleasant. She related an incident at the beginning of Merle's illness when Mrs. Lockwood asked Mrs. Henkle if it was not hard for her to climb the steps to take care of her Mrs. Henkle is said by Mrs. Lockwood to have replied, "I do not think I should object to this."

Mr. Matthews, who investigated a rumor that Mrs. Henkle has obtained rugs at a Columbus pharmacy, stated Wednesday evening that he had found no evidence to substantiate any claims, so far as that city is concerned. Mr. Matthews expressed surprise that such emphasis had been placed by some papers on the rumors relative to the supposed connection of a physician with the alleged poison, stating that the evidence is not conclusive if the physician who is thought to have furnished arsenic did so, it was entirely in good faith on his part. The rumor of a physician furnishing arsenic is probably due to an alleged remark of Mrs. Henkle when the case first came up.

A limotype operator now employed here, states that he intimately knew Mr. Way from about the year 1901 to 1908, working at various times with him in offices in Pittsburgh and Wheeling. "The statement that Mr. Way was a healthy man is not true," says this operator. "He was always weakly all the time I knew him. He was pallid in his complexion, and was often ill. He never told me he was afflicted with lead poisoning, but we generally understood that he was afflicted with this trouble, and when he died our typographical paper gave this as the cause of his death. I left wheeling in 1908 and so did not know of the circumstances of his death only in a general way. I never knew Mrs. Way or much about her. The family lived in a distant part of the city from where I worked. Mr. Way was a speedy operator, and it seemed he always tried to do more type than any man in the office. This probably had something to do with his disease. He was a very popular fellow, and always had a host of friends. But he was never well."

FIRE MARSHAL TALKS

Columbus, June 16—Deputy State Fire Marshal Hartuppee investigated the first fire which partially destroyed a millinery store at Caldwell, belonging to Mrs. Jessie Way Henkle, and is acquainted with her through that incident.
Deputy Hartuppee says that he discovered, in making the investigation, that most of the goods in the millinery store had been placed together in a long row on tables in the middle of the room, and that when the fire department arrived it found that every gas jet in the room had been turned on. The fire was found under a stairway.
The deputy went to Mrs. Way for a statement. She said she knew nothing whatever of the gas jets being turned on, and as a reason for the goods being piled together along the center of the room, said she was thinking of selling to another woman and was getting ready to take an inventory.

Deputy Hartuppee went to this other woman, whose name Mrs. Way gave him, and the woman said she had never had any idea of buying the store, and had never mentioned such a matter to Mrs. Way. The fire marshal's office wanted Mrs. Way to be indicted on a charge of arson, but the prosecutor of the county feared he could not make a case on the evidence and refused to take the case before the grand jury.

There was another incident at Caldwell which is still talked about in that village. Mrs. Way bought the millinery store there from Mrs. Graham. Some time afterwards the store goes a commercial traveler living in Wheeling, commenced to pay attention to both the women—both being widows. Bad feeling between them resuaded Mrs. Graham went away from the city for a visit over Saturday and Sunday, and while she was gone Mrs. Way swore out a warrant for Mrs. Graham's arrest on a charge of stealing from her store a box of silk and several plumes. They were found in Mrs. Graham's trunk.

The grand jury investigated this case and never returned any indictment. Mrs. Graham at this time lived directly above Mrs. Way's store. An employ of the millinery store, it is said, swore that when she left the store the silk lay within easy reach of her. Mrs. Graham was out of the city at the time.

Deputy Fire Marshal Frank Henry, of Marietta, was in Columbus Tuesday looking into a story that three boxes of fine millinery goods were removed from the woman's store in Caldwell previous to the fire there, and were shipped to Columbus next morning. He conferred with Deputy Fire Marshal John Dendon, former chief of detectives of Columbus, concerning the matter.

HAS PURCHASED HANDSOME MOTOR DELIVERY WAGON

The handsomest motor delivery wagon which has ever made its appearance upon Newark streets, will be seen about August 1, when it will be put in service by John T. Carroll, who has purchased the machine from H. M. Paugher, the local representative of the White Company of Cleveland.

MAY MOVE BRIDGE TO JEFFERSON ST.

A report made by the City Engineer, after a long and careful examination by the County Board of Surveyors, which was made in the Spring of 1910, has been received. It has been decided that the bridge on Jefferson street, and also that the bridge across the South Park of the Park on second street, was not adequate to accommodate the traffic using it.

DANGEROUS CONDITION OF STREETS

Workmen Leave Thoroughfare in Bad Shape—Bather Meets with Injury in Raccoon Creek.

Granville, June 16 — When the workmen who were engaged in making the new grade for the electric railroad through the village of Granville quit work a few days ago, they left the work in a very unfinished condition. The track between Pearl and Granger streets is in such a condition that persons driving along after night are liable to have their vehicles wrecked and there is danger that some one will be killed or badly injured. Already there have been a number of narrow escapes, and had it not been for timely warnings, given by Mrs. William Mitchell, there would have been several bad wrecks. The railroad authorities were notified of the dangerous condition of the track, and now red lights are placed each night in the danger zone.

Mr. and Mrs. Blaine Yingling and baby have returned from a visit with Mr. Yingling's parents at Lima.

Earl Futrer, the 15-year-old son of Mr. George Futrer, severed an artery in one of his feet. He was swimming in the Raccoon creek when he stepped on some sharp article hidden in the sands. Mr. Mills King assisted the boy to the home of his father, where Dr. Follett was called and attended to the injury. Earl is now resting very comfortably although somewhat weak from loss of blood.

Mrs. Eyan Jones and three sons have gone to their farm near Zanesville for the summer. Miss Gladys Jones, who has been at the farm with her father for some time, has returned and will spend some time in Granville.

Mrs. Martha Geach, who had the misfortune to severely sprain one of her ankles a few days ago, is getting along as nicely as can be expected, but it will be some time before she will be able to leave her home.

Miss Roberta Worley, who graduated at Denison last week, left for her home in Oklahoma City, several days ago. She was accompanied by her mother, who has been visiting her during commencement.

Mr. and Mrs. D. B. Crossley, of Lima, who have been visiting relatives and friends in and around Granville for some days, have returned home.

Mr. and Mrs. D. C. Moore, of Bucyrus, who have been visiting relatives and friends here for a few days, returned home Wednesday night.

Miss Stella Mason, a charming young lady of London, Ohio, who has been attending the commencement of O. W. U. at Delaware, made a short visit with friends in the village.

TODAY'S MARKETS

BURGLARS CARRY AWAY \$200 WORTH OF CLOTHING

Clothing valued at fully \$200 was stolen last night, presumably about midnight, from the cleaning and dyeing establishment of Mitchell & Miracle at 192 East Main street when burglars forced an entrance to the place and took their pick of suits, coats and trousers hanging in the work room of the store.

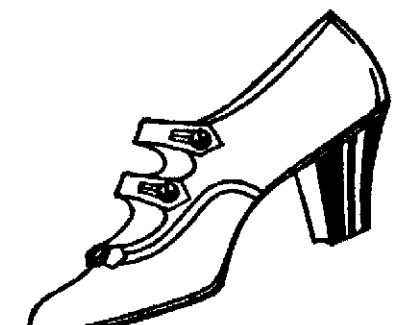

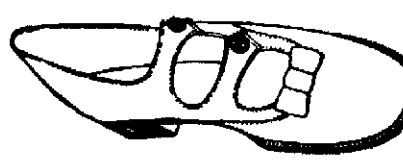

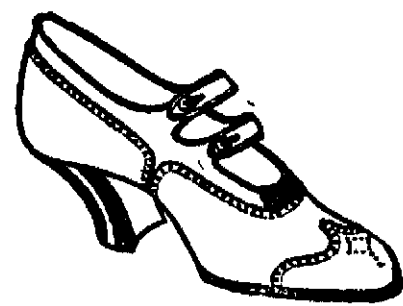

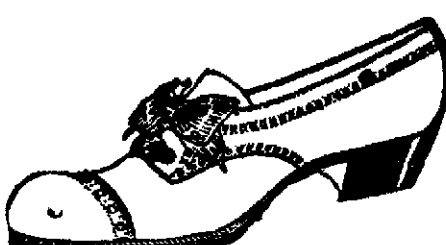

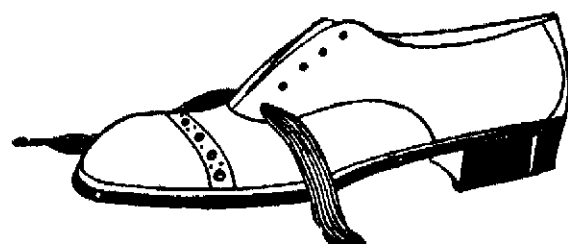

The burglary was discovered this morning when an employee of the place opened up for the day's business. The rear window was opened and the interior of the room was evidence that some one had made a hurried selection of the clothing and took no pains to cover up the evidence of their raid.

The burglars gained an entrance by cutting a screen from a rear window, removing a pane of glass and raising the sash.

All the clothing stolen was the property of the customers of the establishment who had left the articles there to be cleaned. It consisted of coats, suits and trousers, and according to the report of Mr. Mitchell, one of the proprietors, totaled about \$200 in value.

This establishment is operated in connection with the clothing and the gent's furnishing business of Mitchell & Miracle located on the square.

The police department has little or nothing in the way of a clue on which to work unless something more tangible is disclosed in the process of their investigation.

VALUE---VARIETY

Value is the worth of a thing. We do not advertise cheap shoes cheap but genuine quality shoes at prices that are unapproachable to any store except those having the benefit of our buying facilities. Morse's Glycerole

PRESCRIBED FOR 30 YEARS BY LEADING PHYSICIANS
OF THE UNITED STATES, CANADA AND GREAT BRITAIN.

If there are any readers of the Advocate troubled with insomnia, brain fog, lack of energy, vitality and kindred ailments, he or she can be quickly relieved on positive guarantee or money refunded.

Mr. Hazen Morse, the compounder of this noted, harmless tonic-sedative, has the assurance of hundreds of physicians in all parts of the world that it seldom fails to quickly tone up and rejuvenate a failing nervous system.

So sure is Mr. Morse of its wonderful curative value, that you can try a 50-cent or dollar bottle at his expense, if you are not altogether pleased with the results.

T. J. Evans, and all other druggists, selling any of Hazen Morse's preparations, are instructed to return the purchase price to all dissatisfied customers and charge to his account.

If you can't sleep well, have no appetite, no ambition—you feel discouraged, cross and irritable—go to your druggist this very day and get a bottle of MORSE'S GLYCEROLE. You will note improvement from the first dose. Remember, it is harmless—contains no poison of any kind—just extracts of pure nerve-toning herbs.

GET WELL! KEEP WELL!

PIQUA FANS NEED BUT 15 MORE NAMES

Piqua, June 16.—When the committee canvassing for the tickets necessary for the transfer of the Newark Ohio State franchise finished work on Thursday evening, only fifteen more names were necessary to insure the safe financing of the proposition.

The committee is taking no cash, but is securing agreements from the fans and business men to take a certain number of tickets. As stated above but fifteen more names were necessary to complete the work.

Owner Harry Klene left yesterday morning for Indianapolis and was to return this morning.

The canvassing committee resumed its work this morning and in the efforts are successful it is believed that the final arrangements for the transfer will be made tonight or Saturday and the first game in Piqua, if the transfer is made, will be played some time during the coming week.

HARRY LLOYD, FOOT BALL COACH AT WOOSTER "C"

Wooster, O., June 16.—Harry Lloyd, former Wooster baseball and football star, has been appointed coach of the football eleven for this fall. He was the college mainstay in the box for three seasons and is now pitching for the Portsmouth team in the Ohio State league. He played a half back position on the football team.

YOU CAN HAVE HEALTHY HAIR

Use Wyeth's Sage and Sulphur, A
Harmless Remedy That Makes
the Hair Grow.

What a pity it is to observe so many people with thin and faded hair and then realize that the most of these people might have a fine, healthy head of hair if they would but use the simple "sage tea" of our grandmothers, combined with other ingredients for restoring and preserving the hair. No one, young or old, need have gray hair, weak thin, or falling hair, dandruff or any trouble, of the sort if they would but use Wyeth's Sage and Sulphur Hair Remedy. On the contrary, it is possible to have healthy, vigorous hair, of perfect color, by a few applications of this remarkable preparation.

Wyeth's Sage and Sulphur Hair Remedy quickly removes dandruff, leaves the scalp clean and healthy, promotes the growth of the hair, and restores the natural color of the hair which has become faded or gray. It is a clean, wholesome dressing, which may be used at any time and with perfect safety. Don't neglect your hair. Start today with Wyeth's Sage and Sulphur.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

19 STRIKEOUTS IN ONE GAME.

In a battle at Shippan, Conn., a few days ago King's school played Stamford.

The contest ran to 12 innings, during which time Earl Sarella of the King's school, fanned 29 men, while Daniels, the rival slabbies, totaled 20 strikeouts—thereby running the total up to 49 strikeouts for the game.

While Sarella whiffed 29 of his rivals, holding them to six hits he was beaten 3 to 2.

Forty-nine for the game is a record that has never even been approached.

TRI-STATE PITCHER IS A NO HIT GAME HERO.

Reading, Pa., June 16.—Jake Northrop of the local Tri-State team on Wednesday shutout Lancaster without a hit. He struckout eight men, did not give a base on balls and not a Lancaster man reached first.

KEENE RECEIVES BROKEN LEG.

Lima, O., June 16.—Rebel Keene, star first baseman for Springfield, broke his leg yesterday in a slide to third base in the sixth inning of the double header with the locals. Keene was taken to the hospital and it is believed the injury will heal to permit him to play ball again but probably not this season. He is only 22.

KLING APPOINTED CAPTAIN.

Pittsburg, June 16.—John Kling, former Chicago catcher, was appointed captain of the Boston Nationals yesterday by President Russell and Manager Fred Tenney. Kling will take charge of the team in the field beginning Thursday afternoon.

HEBRON

Children's Day will be observed at the Church of Christ Sunday evening, June 17, at 7:30 p. m. Everybody invited.

The lecture given by Dr. Baldwin of Columbus, under the auspices of Hebron W. C. T. U., was largely attended Tuesday evening at Church of Christ. The doctor's subject "How to Avoid Hospitals," was very instructive to the ladies.

The I. O. O. F. committee are very busy now and great preparations are being made to entertain the large number expected here June 27, to celebrate the fiftieth anniversary of

William I. O. O. F. lodge, No. 365. When the lodge was instituted in 1861 of the charter members, but two are living, Mr. John Reese of Missouri and Mr. Abram Swartz of Zanesville.

Mr. Irving Kelsey and Miss Della Loughman were married at the home of the bride at Brownsville, Saturday evening, The Rev. F. B. Allen, pastor of the M. E. church, officiating. They arrived here Monday evening at the home of the bride's sister, Mr. and Mrs. Stanley Nisley where they were given an old time belling. Mr. and Mrs. Kelsey will immediately go to housekeeping on North street.

Mr. and Mrs. T. M. White spent Sunday with P. P. Comiford and family, north of town.

Mrs. James Pugh visited with her sister, Mrs. Belle White Wednesday.

Mr. Wm. Buford of Newark, was a guest of Dr. C. M. Kramer this week.

Mrs. Augustus McMillenlock of Cleveland, accompanied by her aunt, Miss Virginia Parks of Columbus, arrived here last week and will be the guests of Miss Mayotte Balthis for several weeks.

H. D. Hull field superintendent of the St. Marys Gas Co., moved his family to Ashley Monday, where they will be permanently located.

Rev. D. C. Beabout has been with his invalid mother here for the past three weeks, but left for his home at Effingham, Ind., last week.

Mrs. Wm. Koch and Mrs. L. W. Rouse attended the funeral of Mr. Bodine at Newark Monday.

Mr. McFarland of Newark, has located here in the F. S. Lee residence on Main street.

Mrs. Sarah Buckland arrived home Monday after a two weeks visit with friends at Pleasantville.

Mrs. Mary Davis and daughter, of Columbus, spent Sunday with her mother, Mrs. Sarah Hutzell on East Main street.

Got Corns?

Foolish to keep them if you have. No fun in corns, is there? But plenty of pain. Putnam's Painless Corn Extractor raises corns in 24 hours. Don't you want to get a quick crop? You can by using Putnam's Painless Corn Extractor; it's name tells its story. Price 25c; all druggists. Sold by Erman & Son.

Why Don't You Start a Savings Account?

Can't you save a few dollars each month until you get a few hundred dollars and we will lend you the rest to buy a home. We will also pay you 5 percent interest on your savings. We are in business to aid you and have been established since 1880. Any information cheerfully furnished. Call and investigate our methods. We will make loans on good mortgage security at any time.

Easier Times for the Family Income

Better Shoes at Lower Prices—Independent of All Trusts

Why should the family shoe supply be the nightmare of the folks of this country?

"High prices" is only half an answer. Clothing and rent and food and coal are high, too.

The real answer is the searching fact that while clothing and rent and food and coal give the consumer value for the price—shoes do not, because of the poor quality of the leather.

The Leather Trust dominates the tanning industry of America. By cheap, short-cut processes of tanning and finishing it starves the life out of every piece of leather it produces.

Your shoe difficulties would be settled out of hand if the shoe manufacturers of America could get honest leather.

Only One Shoe Factory Independent of Leather Trust

Fortunately for the people of this community, there is such a shoe factory in the United States. That shoe factory is owned by Endicott, Johnson & Co.

They get all the honest leather they want. To get it they had to build their own tanneries and operate independent of the Leather Trust.

Endicott, Johnson & Co. are the only shoe manufacturers in the world who own the tanneries that produce the leather they put into their shoes.

They buy their hides in the open markets of the world—independent of the Hide Trust.

They tan Six Million Dollars' worth of leather every year. Day after day they produce 1750 sides of the finest sole leather, 3000 sides of chrome tanned upper leather, and 1000 skins of calf leather.

Every foot and every pound of this leather is made up on the premises into Endicott-Johnson shoes.

Endicott-Johnson leather makes a durable shoe. Endicott, Johnson & Co. tan every lot of leather for a specific type of shoe—they perfect it in the tanning and finishing and give it backbone for the wear that will be demanded of it.

Durable, Stylish Shoe—Fair Price

As a shoe buyer and shoe wearer you know what the durability of Endicott-Johnson shoes means to you and your family.

But Endicott, Johnson & Co. have done even more than make a durable shoe.

They have made a stylish shoe. Endicott, Johnson & Co. employ the finest shoe designing talent in the United States.

They have made a moderate priced shoe. They will save you 50 cents to \$1.00 on every pair of shoes you buy—because they

have cut out the profits of the Hide Trust, the Leather Trust, the Leather Jobber and the Shoe Jobber.

Endicott-Johnson shoes carry only one profit from the hide to your local dealers' store. They come direct from the factory to thirty thousand retail shoe stores, located all over the country.

Trust-Free Shoes in this Town

Ask the local Endicott-Johnson dealer to show you the ENDWELL (Goodyear Welt) shoes for dress or business wear that retail at \$3.00, \$3.50 and \$4.00.

Endicott, Johnson & Co. make lines that sell for more money—and still other lines at a lower price.

You can buy Endicott-Johnson shoes for men, women and children—shoes for street wear, work shoes, dress shoes, school shoes for boys and girls.

You can suit yourself in style of shoe, shape of last, breadth of toe, color of leather.

You will get one hundred per cent better value than you ever got in any other make of shoes at the same money.

Look for the name stamped on every shoe—

ENDWELL

SAMPLE SHOE SHOP---Henry Beckman

Shoe buyers who live outside the city where this paper is published can learn the names of their home dealers who carry Endicott-Johnson shoes by writing to Endicott, Johnson & Co., Endicott, N. Y.

Weber, Peter W., Gallon, Wirts, Samuel, Moisfield, Magann, Alexander P., Chardon. Total—64.

Of the fourteen who passed away during the year, two were my intimate and warm personal friends from boyhood to the time they died. Major David W. Henderson of Marysville, O., who died July 23, 1910; and Captain James Cutler of Richmond, O., who died December 17, 1910. They were both prominent and successful physicians in Union county, and men of marked ability and usefulness in all the walks of life.

Dr. Henderson served in the Fourth regiment, O. V. I., in the Mexican War, and as surgeon with the rank of major in the 96th O. V. I., during the Civil War.

Dr. James Cutler served in Co. E, Second U. S. Infantry in the Mexican War, and was Captain of Co. K, First Ohio Volunteer Cavalry during the Civil War, which was the company and regiment in which I served.

They were both heroes of two wars with titles well earned. As you well know, my comrades, they were active and useful members of your association, and had both served as presidents.

While I was not so intimately acquainted with the other members of your association, who have passed away during the year, yet they were all brave and faithful soldiers, and you survivors mourn their death "as the brave mourn for the brave."

The citizens of Newark and Licking county may well take a just pride by reason of the services of the soldiers who enlisted in the Mexican War from this county and of others who are now residents of the county. Among others I recall the service of Major David A. B. Moore, who resided in Newark and served as an officer of a company of "Mounted Riflemen" in the War with Mexico. During the Civil War it was my fortune to serve in the same regiment with him. Under the first call for three years troops he recruited a company for the First Ohio Volunteer Cavalry, of which he became captain. He was soon promoted to major and was killed in the Battle of Stone's River, Tenn., December 31, 1862, booted and spurred with drawn saber.

Capt. James H. Smith, who served so long and well as secretary of your association was a resident of Newark as you all know.

His services as your secretary and also as a soldier of two wars are held in grateful remembrance.

The good soldiers and patriotic citizens—"peace to his ashes."

Many others of your number also served with honor and distinction in the Civil War.

Each year your comrades are passing and but a remnant of that invincible army of 100,000 soldiers, who fought the battles of that war and carried the stars and stripes triumphantly into the City of Mexico, survive.

According to the reports of the War Department the total enlistments for the war was 101,282. Of that number 27,506 were regulars and the balance volunteers.

Losses—Killed in battle 1557; wounded 3420.

The proportion of wounded to those killed was not as great as usual in our wars, as the number averages about four wounded to one killed.

Ohio contributed six full regiments and 15 independent companies, a total enlistment of 5,536 soldiers in the volunteer service, and many in the regular service.

Losses in Ohio Organizations—Losses by death 603, or a total of about 11 per cent of the troops enlisted as shown by the records the death losses were as follows by organizations.

First Regiment Ohio Vol., 66; Second Regiment Ohio Vol., 60; Third Regiment Ohio Vol., 64; Fourth Regiment Ohio Vol., 76; Fifth Regiment Ohio Vol., 74.

The Fifteenth U. S. Inf. was recruited in Ohio, and suffered a loss of 202; total loss, 538.

The balance of losses in the 15 independent companies, 65. Grand total in losses, 603.

Names of commanders of independent companies: Captain John R. Duncan, Mounted Rifles; Captain John R. Dauble, Co. B, U. S. Riflemen. (Name of Commander not given.) Capt. Fred A. Churchill; Capt. Herman Kessler; Capt. Geo. Durr; Capt. John Caldwell; Capt. H. O. Donnell; Capt. Thos. W. Ward; Capt. Augustus Moor; Capt. Jos. H. Hawkins; Capt. Atlas L. Stout; Capt. Francis Link; Capt. John S. Love.

As you are no doubt all aware "taps" were sounded for the National Association of Mexican War Veterans at their reunion held in Indianapolis Sept. 7, 1910. But twenty-eight survivors were present, and at the close of the session they were declared "adjourned forever." Taps were sounded by J. J. Traub, who served in the Fifteenth Independent Battery, using the same bugle he blew during the Mexican War. Capt. Frank A. Hardy of Piqua, O., and a member of the Ohio Association, was the oldest man attending that reunion.

The National Association was founded in Washington, D. C., in 1872 by Col. Alexander M. Kenaday. Its membership is composed of the surviving American soldiers, sailors and marines who served in the war with Mexico in 1846-47-48. The object of the organization was to organize the scattered veterans throughout the United States into a national body upon the broad principles of equality, fraternity and charity, for the production of social intercourse, good fellowship and proper assistance.

Nearly every Mexican War veteran enlisted in the Civil War on one side or the other. Colonel Kenaday organized the California Association of Mexican War Veterans in 1866.

These veterans are entitled to the highest honors for their services and sacrifices. They secured for this country Arizona, Nevada, New Mexico, California, Colorado, Utah and Wyoming—in all more than 1,000,000

Rattenberg's Department Store

Quick Disposal Sale

TODAY IS THE OPENING DAY to the biggest and most sensational sale of Dry Goods, Shoes and Oxfords for Men, Women and Children; Men's and Boys' Trousers, Hats, Caps and Furnishings, Notions, China, Glass and Graniteware. A sale that has never before been known in the history of business.

My Reason For This Sale

I have overbought, I am overstocked. Can not afford to carry over such enormous stock. I have therefore cut the knife deep into all prices, all former prices demolished.

Everything under my roof on sale, nothing reserved. Come to my store and see these goods with your own eyes and hear the prices with your own ears.

Watch For Our Circulars

Sale opens Today and will close Saturday, June 24th.

Rattenberg's Department Store

Corner 11th and West Main Sts.

square miles and about one-third of the area of the United States, at a cost of \$25,000 exclusive of the cost of the war, thus opening the mineral wealth of this great territory to the United States.

Also opening up this vast territory furnished homes for hundreds of thousands of our American citizens and happy homes dot the plains and valleys of the great west that was but a wilderness, the only inhabitants being roaming tribes of Indians, before the Mexican war.

But three score of these heroes who fought under Scott, Taylor and other distinguished soldiers at Buena Vista, Chapultepec and on other battle fields, survive in Ohio. They have left us a good heritage and as long as time shall last the record of their heroic and valorous deeds will be treasured by every patriotic American citizen. Comrades of that war you are growing old in years as well as service, grizzled and grey, with halting steps, you are marching on to the last bivouac on earth. No more will the rattling drum or blare of bugle call you to arms again.

Your guns are stacked and the swords are rusting in their scabbards. The flags that you followed so bravely no longer lead you to battle; the uniforms have been folded away for more than fifty years. All but a remnant of that legion sleep peacefully in their "green tents" whose doors never outward swing. You who survive are slowly marching behind an unflinching leader and death the great recruiting officer is rapidly enrolling you in the ranks of the comrades on the other side.

Then when the last hour has come to you and you have been mustered out by the Great Commander, when no loud reveille shall call you to the battle of life, and when the bugle shall sound "lights out" forever may you all be ready to join your comrades on the other shore and hear the welcome "well done, good and faithful servant." One parting word which is so graph-

ically described by the poet, the Battle of Monterey.

MONTEREY.

(Sept. 19-24, 1846.)

The assaulting American army at the attack on Monterey numbered six thousand six hundred and twenty-five; the defeated Mexicans were about ten thousand.

"We are not many—we who stood before the iron sheet that day; Yet many a gallant spirit would give half his years if but he could Have with us been at Monterey."

Now here, now there, the shot it hailed.

In deadly drifts of fiery spray, Yet not a single soldier quailed. When wounded comrades round them wailed.

Their dying shout at Monterey.

And on—still on our column kept. Through walls of flame, its withering way;

Where fell the dead, the living slept. Still charging on the guns which swept. The slippery streets of Monterey.

The foe himself recoiled aghast.

When striking where he strongest lay.

We swooped his flanking batteries past, And, braving full their murderous blast.

Stormed home the towers of Monterey.

Our banners on those turrets wave.

And there our evening bugles play; Where orange-boughs above their grave.

Keep green the memory of the brave Who fought and fell at Monterey.

We are many—we who pressed Beside the brave who fell that day; But who of us has not confessed He'd rather share their warrior rest Than not have been at Monterey?

—Charles Fenno Hoffman.

Endures for Ages

Since Superior is a true Portland Cement, ground to dust-like fineness, and with only a fraction of 1 per cent. magnesia, its concretes will endure for ages. It is the best Portland Cement made in the world to-day for all kinds of work. Every user of cement should learn more about Superior. Write for our free

Superior Catechism No. 24. Then keep on insisting until your dealer supplies Superior.

One Way of Saving a Baby—Free to Try

The mother does not live who would not do all in her power to keep her child healthy, but often she does not know how. So when a doctor of standing points the way all can afford to listen.

It is an accepted fact that nine out of ten of the troubles of infants and children is intestinal. You notice it by the fact that the child is constipated, it is irritable, peevish and cries. Don't give the child will get in the habit of needing it, and don't become alarmed and run at once for a doctor.

Try a scientific laxative first. Give a small dose of Dr. Caldwell's Syrup Pepsin, the remedy that is intended for the use of children. It is mild, gentle and non-gripping. The remedy is absolutely pure and is guaranteed in every particular.

Mrs. Fred Croma of Alanson, Mich., never gives her children anything else. These are only a few among thousands of women.

You can buy a fifty cent or one dollar bottle of any nearby druggist, for they have all sold it for a generation, but if you want to test it on your child first send your address to Dr. Caldwell and he will cheerfully send you a free sample bottle.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 60 Caldwell building, Monticello, Ill.

Manufacturers' Sale Saturday of Sample Hosiery

Everybody looks forward to the sale of the samples of Onyx Hosiery. This fine sample line of imported hosiery is sold at about half its price and on account of its excellence is in great demand. We will offer Saturday about 1000 pairs as follows:

75c and \$1.00 Values For 44c Pair

These are sheer lises, all over laces, lace boots, embroidered blacks and a fine line of tans; all Onyx stamped. Regular numbers, 75c and \$1.00 values. 44c pair

50c Onyx Hose For 25c Pair

Some 500 pairs in this lot, plain sheer lises of blacks, tans, whites and colors. Allover tan and blacks, lace styles; embroidered ankle in both tan and black, and a general range of novelties. All 50c values, for 25c pair

25c Sample Hose For 15c Pair

A big assortment of plain, sheer summer weights in gauzes and lises, in black tan and white. 25c qualities, all 15c pair

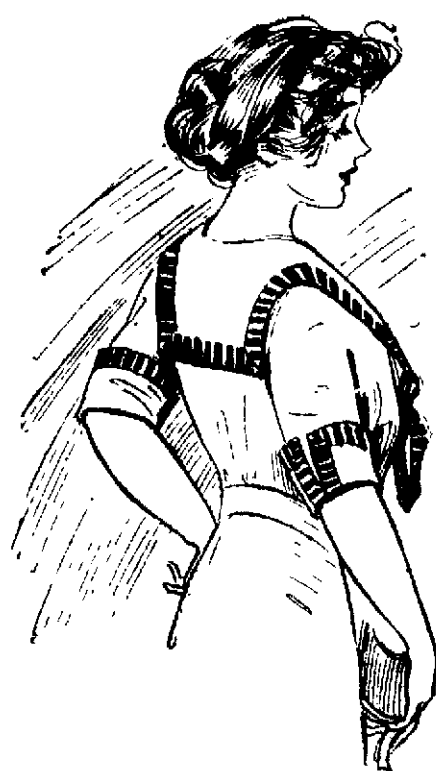

25c Sample Vests and Pants all 15c each

These are fine ribbed sheer Swisses in both vests and pants. Many kinds, because they are the samples used by the manufacturer to show his line. Some plain silk taped; others crocheted trimmed; others lace trimmed in both regular and outsize. A splendid range in style and the Merode quality, which you know is good. All 25c kind, at 15c each

The Griggs Store

Extraordinary Price Concessions For Saturday

Snowy New Waists Transferred From Boxes to Sales Tables Choice 95c

Lawns, Mulls, Allovers, Lingerie and some very choice tailored Waists, nearly all have three-quarter sleeves and the assortment about equally divided between waists with high and Dutch necks. These waists, which we bought at much under their value, because they were ends of lots, are to be on sale tomorrow morning for the first time. To them we have added odd lots of Lingerie Waists from our own lines formerly marked \$1.50 and \$1.25. We don't know when a finer opportunity has come in any June to buy waists so desirable in style and quality at a sale figure so low. They will be displayed on tables tomorrow; selecting will be easy, at 95c

White Waists Worth Up to \$1 For 50c

Women's White Lawn Waists, trimmed with laces and embroidery, worth up to \$1.00; some slightly soiled, so they are offered on the bargain table tomorrow at 50c

STATE RESTS IN COOKE CASE THIS MORNING

Cincinnati, June 16.—Edgar S. Cooke, former Big Four clerk, accused of embezzling \$24,000 of the company's fund, began his battle for freedom this morning in Judge Hunter's court. The state rested its case at 9:15 o'clock after D. P. Higgins, of the accounting department of the road testified that the total charges in the Warriner case was \$612,000. He appeared in court with twelve books and was prepared to tell in detail the story of the defalcation. Higgins was called to refute the charge made by Attorney Baker, counsel for Cooke, that the shortage amounts to \$2,042,000 and that the men higher up got the two million. Then, his witness at the morning session of the Cooke trial here was Mrs. Nattie McDermott, whose son was killed several years ago by Frank Couden, then a government employe, when Couden says he shot McDermott while the latter was trying to rob his chicken coop. Couden pleaded self defence and was acquitted.

Mrs. McDermott was called as a witness for Cooke this morning and stated that Mrs. Ford talked to her Friday and said that she could not swear that Cooke had stolen any money from the road. She admitted in cross examination that she visited Mrs. Ford at the request of Cooke, who said, she testified, that he would help her if she would aid him.

WEIGHT YOURSELF BEFORE USING.

Weight yourself before commencing to use Samose, the great flesh-forming food. The wonderful sale on this preparation since first introduced in Newark and the remarkable results following its use have made W. A. Erman & Son such enthusiastic believers in the great value of Samose that they give their personal guarantee to refund the money if Samose will not make thin people fat and restore strength and health to those who use it.

This is a strong guarantee, but W. A. Erman & Son have seen so many of their customers who a few weeks ago looked like walking skeletons become plump and well, solely through the use of Samose that they feel they cannot say too much to induce people to try it.

This marvelous flesh-forming food is assimilated as soon as it is taken into the stomach, makes good rich blood, tones up the weakened system, helps to assimilate the food and makes the user plump, well and rosy.

A Frenchman may obtain a divorce if his wife goes on the stage without his consent.

19 South Park

PICTURES TO BE SHOWN IN LIGHTED HOUSE

Charles A. Neal, of Columbus, formerly of this city, has assumed charge of the advertising of the moving picture entertainments at the Auditorium theatre and has promised some innovations that certainly will be appreciated.

Pictures will be shown while the theatre is fully lighted. This is accomplished with the installation of an imported lens and neutralizes the actinic rays which makes pictures restful to the eyes instead of harmful. There are only three other theatres in the state using the new method and Mr. Neal stated that his lenses were five weeks in reaching this city from abroad.

On July 17 a grand cash prize of \$100 will be awarded some fortunate Auditorium patron. A committee of five business men will be selected to make the award.

The Wants radiate the requirements of the business world as well as enumerating the needs of hundreds of households.
